Girl Watching!

WATCHING THE GIRLS--is almost as popular as playing golf in Placentia and an added attraction at the Alta Vista Country Club is pretty championship golfer Carolyn Hill, who practices there regularly to keep her attractive championship form.

Photo by Jane Caswell

THE ATTRACTIVE, five foot, seven inch, 120 pound talented amateur, can hit a ball 220 yards and has had a hole in one. She also augments the El Dorado High School golf team and is doing so well in her school work, she may be eligible to enter college following this, her junior year.

Photo by Jane Caswell

GOLF is a constant companion for the vivacious 16-year-old, taught mainly by Dad Joe Hill and already accumulating a host of trophies, like the one she is holding, presented for her semi-finalist finish in the Women's Trans National Tournament in Tulsa last summer. At 16, she has played golf half of her life.

Golf Course Future In Debate

Efforts to guarantee a permanent, championship golf course for the city of Placentia are still not completely determined this week as the principals involved try to consumate a package of 29 different property owners into the major deal.

The Alta Vista Golf Course as it now stands, it scheduled to be phased out in 1986.

Underway is a joint venture of pioneer families, who are owners of the property under and around the present golf course, for an overall development of 361 acres of land. The property, if proposals can be realized, will eventually contain an even larger golf course on both sides of Alta Vista Street, residential sections and commercial developments.

Also mentioned at the recent hearing before the city's planning commission by Alta Vista Golf Course manager and part owner, M. Dee Johnson, is a possibility that the expanded program may be developed to include both tennis courts and swimming facilities in conjunction with the golf course club house.

The most recent hurdle for the expansive residential planned community zone around the golf course, is the possible cost of improvements that might be levied against the development which would make its continuance prohibitive.

Johnson mentioned the cost of a $356,000 estimate for the relocation of the Standard Oil lines under the property. "That estimate was two years ago," Johnson confirmed. "And it almost killed the deal."

Involved are the Chapman, Wickett and Kraemer families, owners of the 361 acres. The golf course, which would meander throughout the development would consume 130 acres, 72 acres of it north of Alta Vista Street, where the golf course presently lies. The northern lands are owned by 17 Chapmans and Wicketts scattered throughout the United States. The southern properties are in the names of Founders K representing approximately 12 Kraemer family heirs.

The overall planning for the vast acreage, which lies between Kraemer Boulevard and Rose Drive, will include a minimum of 60 per cent single family residential, or roughly 88 acres. Other residential, which can go as high as 25 units to the acre and commercial developments will cover 144 acres.

The focal point of the expansive planning is the golf course, which will yield less per acre back to its owners than would a residential development, Johnson pointed out, approximately a fifth or a tenth as much.

New plans for the country club are to leave nine holes of the course in their present location, running as far north as Palm Drive. This also would master plan the golf course any place that it is currently adjacent to homes. Nine holes would be removed from the northern section and relocated south of Alta Vista Street. Homes will be built throughout the golf course area with views on the golfing greens.

The average density for the property will be 7.1 units per acre.

In order to expedite the progress of the development, Johnson asked the planning commission to either approve or deny the present plans, so that the comprehensive project can be taken directly to the city council for a ruling on the amount of improvments the golf course must bear. Approval for this, with commissioner Lee Van Gorden dissenting, was given. The approval is subject to several conditions.

Fearful that excessive cost of necessary street improvements, sidewalks, drainage and sewer fees will bog down the golf course since it would be developed first, E.E. Clabaugh, Ventura attorney, representing all the landowners, who have organized as Alta Vista Limited, cited a figure close to

School Merger Hits New Snags

The merger between the Yorba Linda Elementary School District and the Placentia Unified School District appears to be very dim at the present time.

Superentendent Sterling Fox of the YL District detailed a series of incidents that has stalled ongoing negotiations and resulted in a proposal to include the local study into one embracing all districts in Orange County.

Fox shocked his Board of Trustees at last week's meeting with his report on the merger. He said a heart attack involving a county official working on the matter, subsequent lack of manpower, a negative decision on financing the hiring of a consultant by the County Counsel have all added to the confusion and stymied the study.

The Fullerton High School District, from which Yorba Linda would withdraw if annexation to the PUSD was accomplished, has refused to make a decision on that withdrawal until a study has been made and a report returned.

Some Yorba Linda students attend Troy High in the Fullerton District. An additional high school site in Yorba Linda is also involved.

Trustees wondered aloud if there might be some "pre-planning" to halt the merger. Also ventured was the opinion that "someone may have pushed the reject button." Fox replied "no" to these allegations but added: "We're beginning to wonder what is going on."

"Maybe if the people start to squawk?" questioned another trustee. It was finally decided to instruct Fox to meet with the superintendents of the other two districts and to "come back with a plan." It wasn't mentioned whether the plan would be to try and get the study moving again or to effect the merger.

Tigers Stop Losing

Hawks Whoop It Up Football, Basketball

BY BRIAN HILDERBRAND
and
CHARLES ROSPAW

Valencia High School's basketball Tigers snapped a 48-game losing streak, while El Dorado's Golden Hawks moved to the CIF finals on the football field of battle and wrested top prize at the Letterman's Basketball Tourney situated across town on the Tigers' court.

It was an outstanding week in local high school sports competition.

Earning the right to pass on to the CIF finals, the Golden Hawks bested Agoura's Chargers 46 to 22, in a brilliant display before the Bradford Field stands. Tailback, Jim Haynie set a record five touchdowns over the goal lines and personally accounted for 400 yards of El Dorado's total 482 yard offense.

The CIF 2A football finals will pit El Dorado against La Habra's Sonora, another Orange League team. Their earlier league meeting this year resulted in a 7-6 score with El Dorado on the winning side.

The final game will be played at La Mirada High School Stadium, 13520 South Adelfa, La Mirada.

Game time is 8 p.m. Friday.

Valencia High School's Letterman Basketball Tournament produced a number of pleasant surprises with the Hawks winning the crown. It was the second year win for El Dorado with a 56-47 tally over Rancho Alamitos.

A great deal of excitement at the tournament was generated by the Valencia Tiger hosts, who broke a 48-game losing streak with two solid wins.

In the consolation contest, the Tigers bested Anaheim with a 54-42 score and won a second game with a 56-52 margin over Santiago before jubilant fans. The Tigers have had winning problems for the past two years, since the school became one of the smallest in the Orange League following a split of the student body with the opening of the new Esperanza High School campus. Before their two recent wins, the Tigers had sustained two years of losses.

(Details on the Sports Pages).

Guerreros File For Damages

A claim for a quarter of a million dollars has been filed against the city of Placentia by Mr. and Mrs. Marcelino Guerrero, over the widening of Placentia Avenue alongside their home on Sunset Drive.

Antonio Gigliotti, Long Beach, attorney for the Guerreros said that $100,000 of the amount is for special damages and $150,000 for general damages.

The Guerreros have objected to the widening of Placentia Avenue which brings the street within 14 feet of their home and garage. The alteration has made it unsafe to enter and exit from their garage which opens onto Placentia Avenue, the Guerreros have stated.

When the Guerreros sought a preliminary injunction to have the widening halted, they were required to place a $1,500 bond with a bonding company, Gigliotti explained. The city of Placentia is requesting $485.40 of this amount, Gigliotti said, allegedly owed the city, as damages for the delay in the widening project.

Gigliotti said there has been no offer to settle the matter out of court and there has been no communication from the city.

Tynes Contract Extended

John O. Tynes, 59, named Superintendent of Schools for the 35-square mile Placentia Unified School District, after serving for nine months as its chief administrative officer, has received an extension of his contract to June 30, 1979 by unanimous action of the Board of Trustees.

Tynes is a long time resident of Placentia, first moving here in 1944 to assume duties as a coach and teacher at Valencia High School. During his tenure at that school, he coached championship track. football and basketball teams.

He was appointed to his post as superintendent in July, 1972. His contract would have expired June 30, 1977. His annual pay is approximately $37,300 a year.

The school board issued the following statement with the announcement of the new contract:

"The board of education of the Placentia Unified School District has reviewed and evaluated the performance of Superintendent John Tynes for this past fiscal year."

"This comprehensive evaluation has taken place in executive sessions and as a result, the board unanimously commends Mr. Tynes. He has the full support of the board and the board earnestly requests the enthusiastic support and cooperation of each of our certificated and classified employees and from every patron of the district."

"John has an unusual dedication to children," the formal statement continues. "He has exhibited both wisdom and courage in decision-making and his judgment has proven sound in instructional, financial and personnel affairs. The board strongly supports John as the leader of this school district and will continue to operate in a manner that will enable John and his excellent staff to strive for the best educational program possible for every child in this district. Specific performance objectives for the board of education and the superintendent are established for this year.

"The board thanks the entire staff for its dedication and hard work and the excellent progress toward implementing the goals of the district. We call on our complete management team to continue implementation of specific board priorities and objectives and to emphasize evaluation of the district's progress."

The statement continues: "The board reaffirms:

"1. It's emphasis on the instructional aspect of our basic skills-oriented educational program

The normal photo assignments day of Thursday will not be observed on December 25 or January 1 due to the Christmas and New Years holidays. The usual photo assignments will be accepted for Friday, Dec. 26 and Friday, Jan. 2, 1976. For photo reservations call 528-7080 or 528-2525.

Flurry Of Dialogue Paces Street Study

In more than four hours of rhetoric, the five proposed precise alignments for the widening of Chapman Avenue, between Murray Street and Kraemer Boulevard, had their first public airing last week.

Amid a deluge of testimony, members of the city's planning commission voted to continue consideration of the comprehensive study, along with the Environmental Impact Report, until their first meeting in January, on January 13.

During the more than four hours of staff reports, presentations, and testimonies, many disagreements and discrepancies appeared in the studies as a number of petitioners followed the basic review of the $6,900 Alignment Study for the avenue widening. Also involved is a $7,200 Environmental Impact Report.

Encompassed were lengthy presentations by Noel Torkelson, executive vice president of Governmental Professional Services, and Warren Seicke, traffic engineer, among the authors of the Alignment Study.

Speakers from the floor indicated their disagreement with both facts stated in the report and conclusions.

The Alignment Study, at length, outlines five ways of widening the several blocks on Chapman Avenue into a major 80-foot-wide arterial. It also encompasses leaving the street as it is and widening within the present rights-of-way.

Authors of the Alignment Study also recommended Precise Alignment Four as their choice, a widening path which would advance from the east to the west, through the edge of the Borcherding property on the north, a large slice of the Calvary Church playing field on the south; through the wing of the Calvary Church of Placentia, leaving the Bank of America intact. Taking corners off of both service stations at the major intersection of Bradford and Chapman Avenues, the alignment would miss the Southern Calfornia Water Company's 120-foot high water tower but would take a large chunk of the Foster Freeze parking lot.

From there it would principally take property from the north, blotting a slice from ground owned by the World Gospel Mission, city of Placentia property, Daniels home, Laborde rental and Laborde Real Estate building, which also houses The Placentia Courier and the Placentia Unified Education Association offices.

A 20-foot piece of Kraemer Memorial Park, down its Chapman Avenue length would then be removed, missing the Backs Memorial Fountain. Then a corner from open ground owned by the First Church of the Nazarene and a triangular piece of ground in front of the Yorba Building, which contains the News-Times, would be removed.

On the south part of that same stretch, several homes would be left with the street coming literally to their front doors. The Gonzalez and Brummet homes would be taken.

The recommendation, also sanctioned by city staff report, voiced by Ben Minamide, Acting Director of Community Development, was predicated on being the least expensive alignment at $855,000, also claiming the fewest structures to be removed. Other favorable aspects would be that the alignment contains the lowest number of units to be relocated and eradicates a reported three backout driveways. The route, however, would take 20 feet off of Kraemer Park; leave visibility obstructions at Walnut Avenue and "from a traffic standpoint, this alternate is the least desirable because of the curvilinear alignment through the Bradford Avenue intersection," the alignment study states.

"There will be a tendency for drivers to weave from their appropriate lanes when traversing the intersection. However, this problem can be minimized through use of raised lane markers and delineation lines in the intersection," the report defines.

There were also indications at the meeting that formal adoption of the alignment may lead to at least two law suits against the city. Mr. and Mrs. Peter Laborde are now represented by legal counsel and a spokesman for the Foster Freeze property, owned by Mr. and Mrs. W.H. Barton of Yorba Linda said in testimony that he believed an act of taking the Foster Freeze parking lot, without recompense for the structure, would lead to litigation.

Other points of contradiction concerned the disposition of the Southern California Water Company 60,000 gallon water tank, mentioned in the report as a possible earthquake hazard; the number of backout driveways that would be left from any given alignment and the practicality of living in the homes that would remain untouched by the least expensive alignment.

Also mentioned was the possibility that according to the facts presented, one property owner "will have to parachute" into his home.

None of the plans includes a lane of parking on Chapman Avenue, apparently a must in the case of the Laborde building. Also speakers recommended a concerted effort to move structures back on their properties whenever possible, thereby eliminating them from the widening path.

Other major dissertations concerned the cul-de-sacing of one or more streets along the boulevard, also recommended in the report.

Philip E. Lewis, Associate Pastor of the Calvary Church of Placentia, one of the buildings along Chapman Avenue, who is a resident of the general area, speaking of the alignment study, disagreed with the number of backout driveways that would be left in the various widening paths.

"Then there is the Daniels residence," Lewis added. "Alignment four wipes out the front Daniels residence...but you're not touching the rear Daniels residence. The rear Daniels residence will have to be parachuted into because there is no driveway," Lewis pointed out.

At another home, Lewis embellished that "even if he drives a rabbit, he's not going to be able to get into that garage. He's not going to be able to get in if you give him a radio controlled garage door opener. Because he's not going to be able to execute a right turn and hit his garage."

Lewis also took exception to alignment four because of the sight distance at intersections and the matter of cul-de-sacing streets along the avenue: "I do not agree with the streets that have been decided upon. I believe that there are some other kinds of alternatives."

Lewis objected to the cul-de-sacing of Walnut Street across from the Backs Memorial Fountain. "A lot of people come in on Walnut and go to church (First Nazarene

A NEW FORM OF ENTERTAINMENT came to town Saturday with the appearance of dance troupes from Mexico City, San Diego and California State University at Fullerton. The performers, who presented a colorful array of authentic Aztec dances, costuming and musical instruments, delighted the crowds which quickly gathered to enjoy the spectacle. The dances were staged on Santa Fe Street, which police blocked off for the occasion. In bright colored costumes and plumes, the dancers performed in fast moving cadences and delighted the crowds with the novelty and fast moving rituals.

Photo by Jane Caswell

AN AUTHENTIC AZTEC RITUAL holds the attention of the crowds that gathered on Santa Fe Street to watch authentic dances of guest dancing troupes who performed in Placentia Saturday. Costumes of red, black and gold and feather headdresses lent authenticity to the colorful program. Many of the dancers were barefooted and toward the end of the performance, onlookers joined in the exacting routines but had a difficult time keeping up with the exhausting routines. The performance was free.

Letters To The Editor

Mayor Presents Different View

Mrs. Betty Mead, Editor
The Placentia Courier

Dear Mrs. Mead:

Over the past months you have published several letters concerning the City's acquisition of five acres adjacent to the present Civic Center site. The letters have had one recurring theme, that somehow the City acted illegally, unethically, or immorally in the purchase of that property. Before the citizens rise up to "throw the rascals out" as Mr. Stackhouse suggests in his letter published in the December 10 edition, perhaps the other side should be given an airing.

The City Council decided in 1974 to protect the citizens investment in the Civic Center by purchasing contiguous land while funds were available and the land was still vacant. As required by law, the City hired a bonded appraiser who valued the property, zoned Commercial, and located at one of the major intersections in Placentia at $85,000 per acre. The City subsequently completed negotiations to buy the land at that value and the transfer was consummated.

The land will be maintained as a working orange grove until needed for future Civic Center development, probably five to ten years in the future.

The questions surrounding the sale seem to concern the appraised value, the method of procurement and the sellers' identification.

It was and is the Council's opinion that the appraised value was fair and accurate. The Library District had within the preceding year disposed of property similarly zoned and on the same street for $110,000 per acre. The appraisal reports for the widening of Chapman Avenue also indicate values in the area of $100,000 per acre for commercial acreage.

In any event, two things about the appraisal should be brought out. First, the report is available for public review at City Hall. It does more than state a price, it gives the rationale for the pricing. Secondly, State Law requires a Government entity to purchase land at not lower than the bona fide appraised value. This latter point is significant because it means that a second or third appraisal could not possibly have reduced the price.

The question has been raised as to why the procurement was "kept so secret." As sometimes happens in City business, you think you are communicating and you aren't. The proposed sale and discussion of it took about eight months from start to finish. All of the Council level discussions were at public meetings. My recollection is that there were at least five votes taken on the property, one, to direct the staff to determine the availability of the property, and second, months later, to direct the staff to secure an appraisal, next to authorize the staff to negotiate the sale, then a vote to accept the negotiated price, and finally the Resolution necessary to authorize the payment.

When the property was finally bought, it turned out the sellers were a firm or group called "Placentia Landowners." The Council didn't know who these people were but it seemed academic since the City received clear title. When the identity of the sellers became a question of some interested citizens, the City attempted to identify them but to no avail since the estate executor was under no obligation to divulge the sharers in the trust.

When the actual deed came to the City, it was easy enough to see who the sellers were since they were individually listed on the record. This list of names, some eighteen of them was made public and carried in the local paper. Mr. and Mrs. Scarpa, who wrote a letter to your paper asking again who were the Placentia Landowners had the list thirty days before they wrote asking the question because I saw to it that they had it in a letter I wrote to them on October 10. This can also be verified at City Hall.

If there is suspicion that some Council member profited from the sale of the property, I suggest that concerned citizens check the disclosure information filed every six months by the Councilmen. These documents, required by two State laws are public record and are filed to let the citizens know what property and other interests each person in the position of making a decision has.

Finally, regarding the ultimate use of the property; the Council has resisted making a specific designation lest such a designation tie the hands of future Councils. It perhaps is not common knowledge, but even the present Civic Center complex does not house the entire City Staff.

Old City Hall is being used by the Social Services Department and all but two members of the Recreation and Maintenance Services Department are housed on Main Street. Even at our present level of service, more space will be needed by saturation (around 1982). With the ever increasing demand for City operations, particularly in the areas of cultural development and social needs, more space may be required sooner than saturation.

Thank you for the service you provide in publishing this. I apologize for the length but the issue seems to have achieved the status of news.

If anyone has any further questions, all of the Council members will see that answers are provided. Call us.

SCHOOL BOARD MEETING

The next regualr meeting of the Placentia Unified School District Board of Trustees, will be held at 7:45 p.m. Monday, January 12, 1976, the board announced this week. Meetings convene in the board room of the Administrative Offices. Delay in the meeting date is caused by the schools' Christmas vacation period.

Senator Whetmore Declines To Run

California State Senator James E. Whetmore, dean of Orange County's legislative delegation, said from his office in Sacramento Monday, that he will return to the private practice of law and will not seek re-election to his 35th District seat.

"On the advice of my physician, I have reluctantly concluded that, for the sake of my family and my own well-being, I should withdraw from active public service at the end of my present term," Whetmore said.

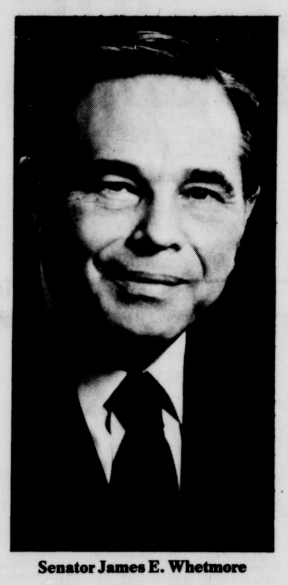
Whetmore indicated the decision was based upon the recommendation of Dr. Albert A. Kattus of the Cardiology Department of UCLA who has been treating the veteran legislator for several years.

"While Dr. Kattus says I should have many productive years ahead of me, he tells me the demands of holding public office can only contribute to a worsening of my overall health," Whetmore added.

Whetmore's announcement signals an end to a public career which began with his election to the Assembly in 1962. After his re-election in 1964, the voters elevated him to the Senate in 1966 where he has twice been re-elected by overwhelming margins.

"I have enjoyed the challenge of my years in the Legislature," Whetmore said. "I know I'll miss my many good friends in Sacramento as well as the excitement of the legislative scene. However, Dr. Kattus has been very specific in advising me to curtail the kind of activities imposed upon an elected official."

Whetmore stressed his intention to serve out the remainder of his present term and to continue his political involvement after leaving office. "I expect to continue actively working for conservative candidates and officeholders."



Senator James E. Whetmore

Chapman Widening

[Continued From Page 1]

Church) and the park building. You're going to need something more than a cul-de-sac. All the school children cross there.

"I would say, cul-de-sac Melrose. I would say, put a signal at Walnut, close Melrose and go ahead and close Main if you want to."

Lewis also pointed out that the city's Environmental Review Board (the Beautification Commission), had found serious health hazards from noise and carbon dioxide, to homes left by alignment four. "By not taking those, you are endangering the people who stay there more," Lewis concluded.

Concerning the cul-de-sacing of Alta Street, which runs between the Calvary Church's open property and the church itself, Lewis stated: "We are going to need an entrance to our property, to allow our members to go east and west...If you cul-de-sac Alta, then you are just going to make a street out of our parking lot. We do move an awful lot of cars on Sunday."

Ollie Weaver, who also spoke for Calvary Church, mentioned parking problems with concern and what factors would be involved if the widening takes a part of the church building.

Weaver said that he wanted to be assured that the cost related to the church properties "would take into consideration some soundproofing of our building because we do not intend to move from here." Weaver mentioned soundproofing and air conditioning.

"We do not feel that this is a cost we have incurred. We feel that that is a cost of the project...providing a sound barrier, decorating the sidewalk and a courtyard with foliage, these are elements of cost we consider a part of this alignment.

"We feel a little uneasy," Weaver continued, "that we're going to get down to the end you'll say 'here's how much money you have for your right-of-way' and we're going to say...'that's fine...you've just destroyed our church!'"

Jack Scarpa took exception to the city staff recommending alignment four. "We are widening Chapman Street so it can be a safer corridor to travel through...So the staff recommends the most least desirable...What we've created here is about three blocks of deadwood street." Scarpa recommended straight alignment three.

Bonnie Scarpa objected to alignments two and four because they do not allow for the removal of the Southern California Water Company tank. "I think now is a good time to get rid of that thing," Mrs. Scarpa advised. "I think it's a hazard. They are very dangerous. They just don't use them anymore at all. That water tank holds 60,000 gallons. I'd hate to have that thing fall down. That would be a terrible, terrible thing to our town.....especially if we had just widened the street."

Robert Von Esch, Fullerton, attorney representing Mr. and Mrs. Peter Laborde, asked that the appraisal backup material be made available to the public. Mrs. Scarpa and Pastor Lewis also designated their belief that the cost figures are essential.

Alphonzo Orosco, a Fullerton resident and former Placentia city councilman, testified that the council on which he served in the 1960's established an alignment for the widening of Chapman Avenue. "It was 40 feet from the monumental line," Orosco stated.

"This was called an 80-foot secondary highway....and at that time a precise alignment was designated."

Tynes Contract Extended

[Continued From Page 1]

and places reading and the language arts, which are basic to all concurrent and subsequent learning, as the number one priority for this year; mathematics, and particularly computational skills, is the second priority;

"2. It's directive to district-level administrative staff that all activity be service-oriented to the schools and their classrooms;

"3. It's intention to meet the needs of the children of this district through open communication with parents, students and employees.

"The board takes this opportunity to reaffirm their confidence in Superintendent John Tynes and his staff and the educational program of the district. With this spirit, we feel we can resolve any problem we face as long as we face it together."

Tynes, who was named physical education coordinator for the school district in 1967, also has served as the board's representative in employee negotiations in 1970-71.

He was the founder of the city of Placentia's recreation programs and served in the city post between 1945 and 1965. He also is the originator of perceptual training techniques which have brought him national acclaim.

He was Placentia's Man of the Year in 1973.

Tynes also has served on the Placentia City Council for two different terms and was Mayor of the city in 1954. He resigned from his last term to accept the top school positions.

Tynes also was president of the Placentia Unified Education Association from 1968 to 1969 and has served as an elder of the Presbyterian Church, where the family is active.

A street and gymnasium in the city are named for him and a special elementary school to be built east of Kraemer Boulevard will bear his name. He has received many awards in sports.

BRADFORD HOUSE

The Placentia City Council at a recent meeting, voted to receive and file a report from the city's Recreation and Parks Commission concerning the Bradford House and the park grounds around it. The commission has recommended that the park on Palm Drive between Kraemer Boulevard and Bradford Avenue, be developed without the home and that the house either be torn down or removed.

Golf Course Debated

[Continued From Page 1]

$400,000 for fees to be levied against the sports development.

He suggested instead that Alta Vista Limited immediately dedicate all of the rights of way for all of the property and that the fees be levied against later developments. "The golf course won't generate the traffic," the attorney pointed out.

Also involved would be an exchange of properties with the city of Placentia. Already bestowed on the city is acreage for a future maintenance yard, a present from the late Edward Backs and Mrs. Angeline Backs. This property on the extension of Chapman Avenue, if developed, will be in the center of a residential area and the attorney suggested that the acreage be exchanged for a more appropriate location.

Clabaugh says he is now authorized by Alta Vista Limited to make the exchange.

Johnson said that the landowners are tentatively looking at a possible tennis club with 8 to 12 courts. Tennis has become such a popular pastime in Placentia that the city has recently installed pay nets to move players along faster on city owned courts.

Included in the acreage as subject to standard improvements of any development, would be parts of Orangethorpe Avenue, Chapman Avenue, Rose Drive, Palm Drive, Alta Vista Street and Central Avenue. Other points to be considered for improvements are the Carbon Creek Channel which traverses the development.

Also levied against the golf course would be $690 an acre, a city-wide fee for sewers and drainage fees. The subject area also falls into drainage areas C and D where fees currently are $1,920 and $2,615 per acre. Government code requires that they be applied to the golf course as well as other sections, Ben Minamide, Acting Director of the city's community Development Department pointed out.

Among other conditions set out and approved by the planning commission are that Alta Vista Limited must install an overpass or underpass for golfers to cross Alta Vista Street.

A spokesman for Placentia Citizens In Action, who live in homes around the present golf course, also asked the planning commission to consider an Environmental Impact Report for the golf course development, but said they are in sympathy with the use.

ADDRESS.....

CITY.....ZIP.....

CHANNEL 7'S master of milobars, weatherman Dr. George Fishbeck, left, and Gordon Gray, right, vice president of McDonald's Operators' Association of Southern California, told AM Los Angeles talk show hostess, Sarah Purcell and her listeners about Dr. George's 1975 Toy Drive for handicapped and underprivileged children at Porterville State Hospital and the Los Angeles Indian Centers. McDonald's Restaurant in Lakeview Center, Yorba Linda, is one of the collection points for people wishing to donate new toys. They can be deposited at McDonald's up to Saturday, Dec. 20.

Give A Gift Of Blood

"The need for blood knows no holiday," said Dr. John Tully, chairman of the American Red Cross, Orange County Chapter Blood Program. "Midst our Christmas joy and festivities we must remember that hospitals have more emergency patients at this time of season and there are fewer blood donors."

The Red Cross Blood Center, 601 N. Golden Circle Dr., Santa Ana, will be open on "Save-a-Life Sunday", December 21, 10 a.m. - 2:30 p.m. The support of Orange County residents and business organizations is being sought to make this a successful holiday blood drawing.

Anyone in good health, between the ages of 17-65 and weigh at least 110 pounds can call the Red Cross in Santa Ana for a blood appointment (835-5381).

Soloists On Yule Program

Soloists Mary Linda Cassidy, soprano and Bruce Boyd, baritone, both of Placentia, were among the performers at Fullerton College's "Sing Noel," annual Christmas Concert presented last week end in the school's Campus Theater.

The Placentia students sang with the College Choir in a performance of Johannes Sabastian Bach's most famous Christmas cantata, "Unto Us A Child Is Born."

Also performing at the annual event were the school's A Capella Choir and the Chamber Singers. A quartet of carolers circulated through the theater prior to curtain time.

Concert selections ranged from "Do You Hear What I Hear?" to "Jesus, Jesus Rest Your Head" and "Jubilate Deo Omnis Terra."

The A Cappella Choir presented "The Christmas Story" by contemporary American Composer Peter Mennin.

There was no admission fee, but handmade crafts and candy canes were sold during the intermission and after the concert. Proceeds will go toward expenses for the A Cappella Choir's annual tour in April to San Francisco.

Tract By Lake Placentia

The Placentia Planning Commission has given unanimous approval for 82 single family homes to be built west of Lake Placentia and Tri-City Park on Rolling land owned by the William Lyon Company.

The homes will be one and two stories, from 1445 to 1975 square feet and are expected to cost between $55,000 and $65,000.

Exteriors of the homes will be similar to those built by Lyon Company at Placentia Avenue and Palm Drive near the Fullerton border. The new homes will begin on Placentia Avenue and Rolling Hills, an extension of Golden Avenue.

The development will be surrounded by a great deal of open space including Brea's Imperial Golf, Tri-City Park and Tuffree Park.

The tract is the first to be developed in the city of Placentia where grading problems will occur because of the hilly terrain. The homes will contain three and four bedrooms and have either two or three car garages.

Commissioner Lee Van Gorden was not present for the late night vote of commissioners, which was otherwise unanimous.

The tract will be on one of the last remaining vacant parcels of land in the northwest section of the city of Placentia and is hilly terrain. To solve a grading problem, the tract has been allowed to encroach nine feet into Tri-City Park in exchange for providing fill dirt for the construction of the embankment at Lake Placentia Dam.

RAYDRA INTERIORS

"Peggy's Pointers"

Have you run into some problems considering gift ideas for members of your family? At the risk of sounding commercial, we at Raydra Interiors have a few suggestions.

Have you thought of the outdoor cooking appliance- a Charmglow Gas Barbeque for Dad? We have them in every size, from one that packs on the back of a motorcycle for desert weekends to beautiful double untis with fancy scrollwork carts.

How about a painting? Or a pub mirror? What about that wall in Dad's study that always looks so bare? Wouldn't he appreciate a bright spot all year long?

How about giving each other a mutual Christmas gift? Isn't it time you got around to that living room? To give each other a gift of beautifying your home for Christmas is a lasting way to show you care for each other and for the home you share.

Fondly,

Peggy

Vick Knight Authors New Book On Haym Salomon

"Send for Haym Salomon!," a special bicentennial edition of a new biography of the Revolutionary War hero, will be published in February, according to an announcement today by officials of the Haym Salomon Foundation of Alhambra, California.

Salomon, honored in March, 1975, on a postage stamp, was a powerful influence in helping to establish the American democracy. A Polish Jew, he came to New York City in 1772 and later served as the principal fund raiser for the Continental Congress and war effort.

Written by award-winning author Vick Knight, Jr., a Placentia resident, this stirring account of Salomon's devotion will be published and distributed by the Borden Publishing Company. The author's father, Vick Knight, Sr., was for many years writer-producer for Eddie Cantor, Fred Allen and other show business figures.

Knight's book differs from earlier accounts of Salomon's importance in that it views his accomplishments and sacrifices for his adopted land in the perspective of 200 years of liberty. The text includes updated research and reproductions of documents and materials dealing with the contributions of the man who has been termed the "financial genius" of the War for Independence.

First edition of the new Salomon book will be placed on sale on Washington's Birthday, February 22, 1976.

Placentian Appears On Yule Show

Mark Tavianini, Placentia, a junior at the University of California at Riverside, recently appeared in the school's Barn Theater production of "Santa's Storybook," a program of Christmas stories and songs.

The 90-minute family show was presented in the Barn Theater and included the traditional "Night Before Christmas" and "Rudolph the Red-Nosed Reindeer." The show was highlighted by an appearance from Santa Claus.

Steve Fellows Listed In Who's Who

Steve Fellows, son of Mr. and Mrs. Ralph Fellows, Yorba Linda, will be listed in the 1975-76 edition of "Who's Who Among Students in American Universities and Colleges."

Steve is a senior Psychology major at George Fox College in Newberg, Oregon.

Selection is the highest honor awarded annually on campus. Students are selected on the basis of academic achievement, leadership on campus and activities on and off campus.

Steve has maintained a 3.19 grade average and is involved in A Cappella Choir, President of FCC Campus Crusade Club, Drama Tour Group, Student Affairs Office Intern and President's and Dean's list.

Students were selected through a process involving the administration and students, and a campus-wide vote of sophomores, juniors and seniors and faculty members.

George Fox is a four year Christian Liberal Arts College founded by the Friends Christian Church in 1891. It is Oregons fastest growing college with a 16% total enrollment climb this fall, and a 30 percent increase in new students.

Promotion Announced

Carol A. Campbell has been promoted to Director of Corporate Tax at Denny's, Inc. Ms. Campbell and her husband have two children and reside in Yorba Linda.

She will be responsible for ensuring the company's compliance with federal, state and local income tax regulations and for assisting with income, property and sales tax matters.

Ms. Campbell joined Denny's as a tax accountant in 1971 from H.B. Development Company in Orange. Since then, she has held several positions, most recently as Tax Manager.

She holds a B.A. degree in accounting from California State University at Fullerton and is presently enrolled in the Master of Taxation program at the University of Southern California.

Pilot Program Adopted

A career education pilot program for Fairmont and McFadden Elementary Schools was adopted by the board of trustees of the Placentia Unified School District Monday night and will go into effect in February. Total cost of the programs will run "about $10,000" for materials and staff development, according to Dr. Marvin Stewart, acting assistant superintendent of instruction.

The program designed by the career ed task force and coordinator Chuck Arnoldt, calls for "infusion" of career ed materials throughout the regular curriculum in an effort to make students award of the many opportunities available to them.

The drug abuse action plan, prepared by the drug abuse team who attended a United States Office of Education conference this fall, involves development of a peer counseling program at secondary schools, parent education programs, staff development and curriculum "designed to select decision-making skills and the enhancement of self image concept," Dr. Stewart explained.

Target date for implementing is September 1977.

by Esther Cramer
Director of
Consumer Affairs

A BLOSSOMING CHRISTMAS

I've walked through many of our Alpha Betas this holiday season. The decorations and the special posters all give the stores a feeling of celebration. But do you know where I was immediately drawn? To the displays of holiday Poinsettias. These plants in their natural, rich Christmas colors are just outstanding! Not only are they the finest, most tasteful decorations for your own home, but they make such appropriate gifts for friends – even if they have everything! And they're such long-lasting houseplants. Mine, from last year, are growing splendidly and they didn't lose their last red bracts until the end of the summer!

These plants have been developed especially for the home from the original wild plants of Mexico. They're tender and can't stand frost so if you do plant them outside, be sure to give them lots of sun and protection from the cold. (I have successfully raised some next to a south-facing wall.)

I'd like to take this opportunity on behalf of Alpha Beta to wish you the happiest holidays ever.

Free Vacation Offer

Here's a special holiday offer to **drunk drivers ONLY.**

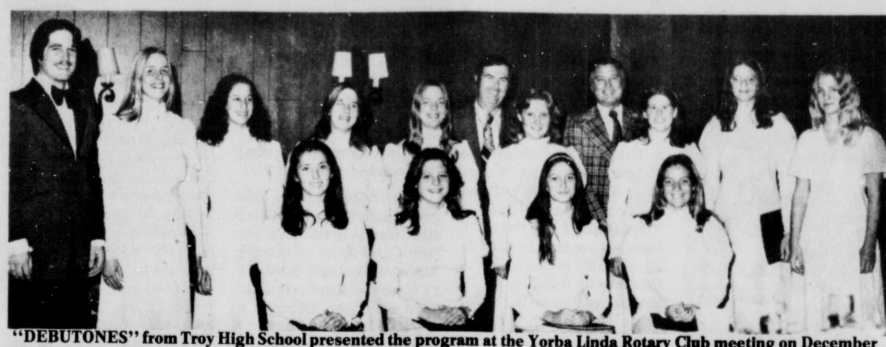
A chance to take a free hideaway vacation, to escape from friends, family and telephones.

Yes, over the holidays, **drunk drivers** may qualify for free pickup service anywhere in Southern California. Entitled to free room and board, all meals included, room service, double, triple or dormitory style accommodations.

Thousands of traffic officers will be working around the clock looking for you. Simply weave your way along any freeway or surface street. You're bound to be noticed.

Remember, this is offered to qualified **drunk drivers ONLY.** Persons who wait at least one hour after each drink before driving may become ineligible.

Warning: All drivers suspected of being drunk will probably be required to take a most interesting sobriety test before being accepted under the terms of this offer.



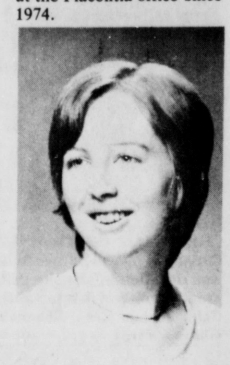
"DEBUTONES" from Troy High School presented the program at the Yorba Linda Rotary Club meeting on December 12. They were directed by Karl Thompson, left, and their appearance was arranged by Troy Principal H.L. Looney, [in check jacket]. Welcome was tendered by club president Tom Hogan, next to Looney.

Local Woman Promoted

Placentia resident Adrienne Wiedemann has been promoted to operations officer at Bank of America's Chapman-Tustin office, Senior Vice President Hal Jackson, head of the bank's Orange County Region, has announced.

Mrs. Wiedemann, who replaces Susan Webster who has been reassigned to the regional service staff, joined the bank's Washington-Center office in 1969.

She had been the assistant operations officer at the Placentia office since 1974.



ADREINNE WIEDEMANN

Born in Downey, Mrs. Wiedemann graduated from El Rancho High School and received her bachelor's degree from California State University, Fullerton. She also has completed several advanced professional courses offered by the American Institute of Banking.

She and her husband, Richard, live on Berkenstock Lane.

Santa And Treats Visit At Parks

Santa Claus would like to remind Placentia youngsters that he will be visiting the Placentia parks again this year.

Santa's visiting schedule continues on Wednesday, December 17 at Atwood Park from 3:30 p.m. to 4 p.m. and Vaqueros Park from 4:30 to 5 p.m. Also Saturday, December 20 at McFadden Park from 4 p.m. to 4:30 p.m.

Santa will be bringing a treat for all of the children at the parks.

Teens Offer Gift Wrap Services

The Placentia Teen Council will be sponsoring a Christmas wrapping booth, located in front of Sav-On in the Placentia Town Center.

Teen Council members will wrap Christmas gifts on Thursday, December 18 and Friday, December 19 from 6 p.m. until 9 p.m. and on Saturday, December 20 and Sunday, December 21 from 10 a.m. until 4 p.m., the group reports.

ONE OUT OF FOUR December traffic accidents involves a pedestrian who has been drinking.

YOUR Pharmacist SPEAKS

By John Payne,
Owner - Reg. Pharmacist

To enjoy good health, you must get as much sleep as your body...and brain... requires. How much is that? The traditional eight hours is probably a pretty fair average but this doesn't hold true for everyone.

Recent studies show that some people sleep "faster" than others. There is a wide difference in the intensity of sleep between individuals. Some people, those who sleep intensively, can get as much recuperative benefit from six hours' sleep as others get from ten hours. We don't know, yet, if the ability to sleep intensively can be developed.

We do know that there is no finer prescription service than ours. Don't put off seeing your doctor just because the Holidays are coming up. And, if he prescribes medication, be sure to let us fill the prescription.

HANDY HINT: When painting with a roller, line the paint tray with aluminum foil which can be thrown away with no mess.

CHRISTMAS COSTUMING-The Beautiful Bluebirds work on costumes for their Christmas play to be held in the Backs Building Monday, December 22, at 7:30 p.m. A 50 cent donation will be charged as the girls are attempting to raise money for camp. The group consists of [left to right] Elizabeth Sanchez, Yvette Sanchez, Christie Sawtelle, Kim Cain, Joanna Rees, Shannah Sawtelle, and Caren Osborn. Assisting is their leader, Hildred Rees.

Blue Birds Present Play

The Blue Bird Group The Hermazos Pajaros Azules (The Beautiful Blue Birds) will be giving a play entitled "Out of the Ivory Palaces" Monday evening December 22, at 7:30 p.m. at the Backs Community Building 201 N. Bradford, Placentia.

The story has been adapted from Out of the Ivory Palaces into a play for eight members.

The group is selling tickets for 50 cents in order to cover costs and also to earn money to go to camp this coming spring.

The members in the group listed in order of their appearance in the play are: Gail-Carol Ann Callahan, 8; Michael-Shannah Sawtelle, 8; Gaberial-Kimberly Cain, 9; Ariel-Caren Osborn, 8; Celeste-Joanna Rees, 7; Alex-Yvette Sanchez, 7; Benjamin-Elizabeth Sanchez, 5 and Chad-Christie Sawtelle, 7.

Assistant for the production is Connie Lum a student at Valencia High School. Music is by Leslie Thompson a student at Pacific Christian College, Fullerton.

Tickets may be obtained by calling Mrs. Hildred (Robert) Rees at 528-5147 or Connie Lum at 528-0597.

Girl Scout Party

The six Girl Scout troops from Glenknoll School are looking forward to their combined Christmas party on Thursday, December 18. Games, songs, skits and relays have been planned for the 80 girls expected.

Rumor has it that there may also be a visit from a man in a red suit. Plans and preparations have been made by the Leaders who are Mrs. Janet Jurls and Mrs. Linda Jundanian, Mini-Scouts; Mrs. Joan Kalin and Mrs. Betsy Stuck, Brownies and Mrs. Nancy Watson and Mrs. Sandy Lomenzo, Juniors.

KMPC Lauds Local Lady

Elaine Holliday of Yorba Linda, head nurse in the emergency department at Martin Luther Hospital in Anaheim, has won a special "Sunshine Award," a certificate and merchandise prizes, on Sonny Melendrez' 1 to 6 a.m. All Night Show on radio station KMPC for her acts in bringing sunshine into the lives of others.

Ms. Holliday, of 5312 Lynridge, was cited for the "sunshine, hope and happiness" which she brings to all of her patients; her bright and cheerful attitude with her co-workers; her personal financial help to feed and help relatives of patients and patients themselves, and for being, in the words of one who works for her, "one of God's most beautiful people."

John Traub Wins Chess Tournament

John Traub, Placentia, competing in the fifth-sixth grade category, placed first in the Orange County Chess Association's Thanksgiving Tournament, held recently in Buena Park.

There were 110 students participating in the county-wide competition.

The event will become an annual tournament, the organization reports. Also sponsored is an Easter Tournament, open county wide, which will be in its fourth year in 1976.

Troop 1084 Busy Gang

The Girl Scouts of Yorba Linda Cadette Troop #1084 have a busy Yule season planned. President Cindy Hawkins announced that the girls assisted decorating the Placentia-Linda Hospital and provided Yuletide decorations for the lobby desks.

They are actively supporting the Friends of the Library in their Bike Ride for America by participating in the bike ride and selling patches to commemorate the event.

The girls plan to donate the profit from selling patches to the Library to assist in the purchase of the film "America".

Other activities planned this month are a trip to see the T.V. show, "Gambit" on December 17 and caroling at the Placentia-Linda Hospital on December 19. Following the caroling, the girls have planned a party and gift exchange to top off their Christmas activities.

Troop #1084 members include President, Cindy Hawkins, Secretary, Cathy Flynn; Treasurer, Cathy Ruppert; Patrol leaders, Wendy Jansen, and Julie Smith; Patrol members, Amy Curran, Pam Devich, Christie Ruppert, Karen Schulte, Kelly Kelch, Tammy Flynn, Julie Shook, Brenda Sullivan and Nancy Shires. The Troop Leader is Mrs. J.M. (Georgia) Smith.

MORE THAN HALF of all traffic fatalities during December involved drinking drivers.

Revised School Schedule

A revised school day schedule for Yorba Linda District schools will go into effect on January 5, the day schools re-open after the Christmas holidays.

The schedule was negotiated by the administration and the Certificated Employees Council. It follows complaints voiced by faculty members at the beginning of the school year regarding an extended schedule.

Class time has been reduced by 35 minutes in the new schedule. Mary Pagel, CEC representative, said it benefits the children and is a "step in the right direction" but added it is not the complete answer to the problem.

Linda Vista and Richard Nixon Schools-Grades 1 through 6, 8 a.m. to 1:55 p.m.; kindergarten a.m., 8 to 11 a.m.; kindergarten p.m., 11 a.m. to 2 p.m.

Mabel Paine and Rose Drive Schools-Grades 1 through 6, 8:30 a.m. to 2:25 p.m.; kindergarten a.m., 8:30 to 11:30 a.m.; kindergarten p.m., 11:30 a.m. to 2:30 p.m.

Junior High-Grades 7-8-9 a.m. to 2:55 p.m.

This schedule will give kindergartens 180 instructional minutes, grades 1 through 6 285 minutes and junior high 277 minutes.

Yorba Linda Library Showcase

Give away:

Catalogues of short courses offered at CSUF under the continuing education program are now available at the lobby desk. Registration forms are included in the booklet. Copies of the Fullerton College adult education-winter term-catalogue are also available. The library has OCTD bus schedules and time tables, too.

Recent arrivals:

"Powers of the Mind" by Adam Smith.

"Peanuts Jubilee" by Charles Schulz.

"Without Feathers" by Woody Allen.

"Eight is Enough" by Tom Braden.

"Rainbow" by Christopher Finch.

"The Great War and Modern Memory" by Paul Fussell.

Reminder:

"HELP!" featuring the Beatles is showing at 7:30 p.m. December 18th in the library's multi-purpose room.

ANCIENT ART--of making horseshoes was demonstrated to Mabel Paine School students by Rick Buckner, a Yorba Linda resident. Correct term for the trade is "farrier" but it is more commonly called "blacksmith."

Clubs Start Crime Study

Both the Placentia Round Table and Junior Round Table are announcing an extensive communitywide inquiry of local leaders and citizens designed to determine their attitudes on crime problems and solutions as the first step in "Hands Up", a national volunteer campaign to reduce crime.

They are among the 13,067 General Federation of Women's Clubs which are being asked to participate in the crime reduction effort funded under a grant from the Law Enforcement Assistance Administration, Department of Justice.

The primary function of the inquiry will be to provide an overview of the work done by private social service agencies (United Way, Legal Aid, etc.). The effort is designed to give both the participating agencies and the public a clear picture of the crime reduction programs that the private sector currently offers the justice support system.

This section of the inquiry will also attempt to identify the obstacles these agencies face in their work. It is hoped that the results, when collected nationally, will spotlight future areas of crime prevention emphasis.

Other portions of the inquiry will assess the attitudes of the general public and the womens club members on current crime issues. This community-wide inquiry, combined with those of similar clubs throughout the nation, will become the basis of a national crime "summit" meeting to be held in Washington D.C. early in 1976.

The participants will work toward isolating national priorities for crime reduction. This event is planned to bring together womens club delegates, prominent specialists from the criminal justice field, policy leaders of national private social service agencies and representatives of various ethnic and special interest groups as well as victims and ex-offenders.

The delegates will return from the national conference prepared to assist local groups in duplicating the "summit" meeting at the local level. "It is hoped that this will result in tangible action plans to be carried out by participating womens clubs in conjunction with local alliances built through the 'Hands Up' project process," states Mrs. Carroll E. Miller, President of the General Federation of Womens Clubs.

For further information contact Doris Black of the Placentia Round Table, the local group advises.

Village Singers In Concert

The Village Singers, the city of Placentia's vocal production group, directed by Glenn Wanke, will present their second annual Christmas Choral Festival on Saturday, December 20 at 8:00 p.m. in the Valencia High School Auditorium, 500 N. Bradford Avenue, Placentia. Donation is $1.00.

Proceeds will be used to prepare for next year bicentennial programs. There will be a limited number of tickets available at the door. Reservations can be assured by mailing for tickets to 220 N. Placentia "D", Placentia, 92670.

Saturday's program will consist of a variety of seasonal songs, from religous to popular, along with comedy sketches. Set decorations will depict a New York street scene in front of Tiffany's. Joining the Singers in presenting this program will be the Buena Park Chorus, the Bell Chimes of Pacific Telephone and a guest instrumental orchestra.

Follow the searchlight in the sky, Saturday, December 20, the Singers advise.

Smithie Visits

Rick Buckner, Yorba Linda resident and Farrier by trade, demonstrated his skills and technique of making horseshoes for the children in the Early Childhood Education Program at Mabel Paine School.

Working out of his trailer, complete with furnace and portable anvil, Buckner has been shoeing horses in this area for 13 years as a full time occupation. He received his initial training at Cal Poly, San Luis Obispo.

This demonstration was another in the continuing program of bringing the real world of people and occupations into the classroom at Mabel Paine School.

B of A Plan For Retirement

Bank of America is offering Individual Retirement Accounts to eligible individuals, starting December 1.

The bank has introduced an IRA plan offering a choice of five different accounts with varying maturity periods and interest rates.

Individual Retirement Accounts are do-it-yourself retirement programs for individuals not covered by other qualified pension plans.

Under the Pension Reform Act of 1974, individuals may set aside 15 percent of their annual gross income each year, up to $1,500 maximum, in tax deferred retirement accounts from which they will receive income in their retirement years.

Interest earned from these funds is not taxable until the money is distributed.

Santa's Workshop Open

Members of Charles Wagner Elementary PTA have been working hard since June, making items for the "Santa's Workshop."

The workshop was created in order to give the children an opportunity to buy hand-made items, at prices they can afford, for their family. There will be many items to choose from, and gift wrapping will be available free of charge.

The workshop will be held on December 17, and 18, in the Multipurpose Room. The first day, primary grades will be shopping from 2 p.m. to 3 p.m. Then the upper grades will shop from 3 p.m. to 4 p.m. The second day will be open to all students as well as the parents.

Traub Appointed To Council

Tustin Police Chief Joseph J. Kelly, President of the Orange County Chiefs of Police and Sheriff's Association, announced this week that Placentia Police Chief Norman Traub has been nominated to serve as a member of the Orange County Criminal Justice Council.

Chief Traub will succeed Brea Police Chief Robert Wasserman, who has been appointed as the new Chief of Fremont, California.

Chamber Schedules Open House

Members of the Placentia Chamber of Commerce, will gather for their annual Christmas Open House, Thursday, December 18 between 4 and 7:30 p.m.

To allow more space, the champagne and hors d' oeuvres party will be held this year in the offices of the Century Federal Savings and Loan, 196 East Yorba Linda Boulevard in the Placentia Town Center, the group reports.

COUNSELOR

Bonnie Presutto is being trained by Alpha Center to be a crisis intervention hotline counselor... **Placentia Presbyterian News.**

Remy LEATHER FASHIONS

Beauty is more than skin deep.

We're proud of our good looks, but we want people to know we've got depth, too.

At Remy, depth means quality and integrity. Only the finest hides are chosen for our garments. And we don't stop there. Each fashion item is the result of painstaking matching of hides by color and weight. Sleeves, pockets, fronts . . . all are carefully selected for beauty, function and fit.

No other company in America takes this much care.

There are other things, too.

Like stitching. It's straight, unbroken, evenly spaced, using top-quality, long-lived thread. You see the quality instantly. But you only fully appreciate it after years of wear.

Remy fashions grow on you.

The *design and fit* are the result of laborious pilot sampling. There are no sacred cows at Remy. Or sheep, for that matter. We're in no hurry. We pay our employees by the hour, not by the piece. We're all proud of the final product because we take the time and trouble to make it the very best.

LOT WITH LOTS OF TREES--the Placentia Jaycees were surrounded by Christmas trees this week, as their tree lot on Yorba Linda Boulevard, just east of Palm Drive, got off to a late start. Having manpower problems, the Jaycees have joined with the Placentia Junior Round Table members to have sufficient personnel for the tree lot--which is a 24-hour-a-day business during its operation. Here customers Gene McCain and Michele Nagel [left] make their selection with Fred Bailey, Jaycee tree lot chairman, Bill Heideman, newly elected Jaycee president and Daphne Erikson and Candy Smith of the Junior Round Table, assisting. Business was brisk last week end.

Water Men Meet

Fred Clodt, president of the board of directors of the Yorba Linda County Water District, and director Howard Lindow attended the recent semi-annual meeting of the Association of California Water Agencies in San Diego.

The two district officials attended sessions on such vital subjects as "Tomorrow's Energy Sources--Nuclear and Otherwise," the upcoming "Nuclear Power Initiative," which will appear on the ballot next year, and "Water Rights and Water Quality."

THREE OUT OF FOUR fatal Christmas accidents involve driving too fast for conditions...or above stated speed limits!

Tree Thefts Mar Yule

Some members of the Yorba Linda Chamber of Commerce report actions at this Great Season that make them sad. The Chamber supplies two "for instances" in the hope that they will make us appreciate all the more the distinct kindness exchanged between the great majority of citizens who understand the meaning of the Season.

At the other end of the pole, not only was the local Bank of America robbed last Thursday, but another Chamber member reported a theft of from 35 to 50 Christmas trees, including three special trees which were set aside for donations to different needy families.

Kathryn E. Starr, owner of Los Pinos Xmas Tree Farm was the loser and Eldon Huffaker, manager of the Bank of America, was unable to received his usual tree because of Kathy's wholesale losses!

"Christmas tree thefts have always been a problem," reports Kathy, "but there has been a big increase over the past 8 years!"

As the Chamber says, "More is being stolen than 'mere' Christmas trees, and we are most hopeful that the time will come when an ugly minority will see the light of day, in addition to the glow of bright lights that could have been shining in the homes of 35 to 50 Yorba Linda homes."

AND ALOHA

And "So Long" is a sailor's corruption of the East Indian word 'Salaam,' meaning farewell.

Business Directory Here

The first business directory identifying services and products available to local residents will be distributed free to every home and business in Placentia next week, reported Robert E. Davis, publisher of the directory.

Titled the Placentia Chamber of Commerce Business Directory, the 36 page book identifies more than 300 businesses and professional services now located in Placentia.

The directory is designed to encourage residents to buy locally, Davis said. The book also includes important information about the Chamber of Commerce, city government, and listings of frequently called county, state and federal agencies.

A frequent complaint from local merchants, Davis noted, was that many Placentia residents did not know a particular service or product was available locally. The result was that too often local patronage was diverted to neighboring cities, a problem common to "bedroom communities."

Advertisers in the directory now concur that business should be stimulated simply because the directory gives residents easy availability to a list of who's who in Placentia business, Davis said.

"Although the directory does not represent 100 per cent of Placentia businesses," Davis said, "the directory is sufficiently complete to prove an important aid to local residents wishing to shop locally."

Davis explained that the directory can be used for two years. It is important to Placentia business, he continued, and it is highly endorsed by the Chamber of Commerce and the city, which encourage its use."

Scouts Collect Food Items

As result of the Brownies' and Junior Girl Scouts' holiday program at Sierra Vista School, the troops were able to donate an impressive total of 106 grocery items to the Placentia Round Table's Clearing House project.

After Boy Scouts presented Colors, the audience was entertained with skits, carols, Frosty the Snowman (who barely cleared the doorway), and a finale of "Jingle Bells" in which tiny tots were encouraged to participate.

In addition to this year's Scout program, the school annually supports the Clearing House by collecting suitable non-perishables within the individual classrooms.

NEW PRESIDENT

George Dreyer will be next year's President of the Placentia-Yorba Linda Junior All American Football Board. The Dreyer's enjoyed a trip to the River during Thanksgiving week...

Santa Might Drop In, In Person

The Placentia Recreation Department is taking reservations for the "Santa Makes Housecalls" program.

Santa Claus has arranged his schedule so that he can be in Placentia from December 17 through December 23.

To make a reservation for a personal visit from Santa, stop by the Placentia Recreation Department Office, 117 North Main Street. The fees for the housecalls are as follows: 15 minutes, $4 for 1 to 5 children; 30 minutes, $7 for 6 or more children and 60 minutes, $15 for 25 or more.

For further information, please call 993-8232.

Jrs. Give $1,000 To LV School

Under the direction of Junior Women's Club President, Pam Tice, a carnival was held to assist in raising funds to landscape Yorba Linda School District's newest elementary school, Linda Vista.

Assisting in the campaign, on behalf of the school was Beautification Chairman, Nancy Mauro. The new school participated in the carnival hosted by the Junior Women's Club, by sponsoring a booth.

"No words could sufficiently thank the Junior Women's Club for their support in our effort to complete the school's landscaping project" stated Nancy Mauro, as the club presented to her, for use by the school, a check in the amount of $1,000.

Linda Gadzunas, Women's Club Carnival chairman, and Karen Galen, Junior Women's Club treasurer presented the check recently on the school grounds!

"It is this kind of community effort that makes Yorba Linda Unique", Phyllis Scarborough, Linda Vista's first P.T.A. President was quoted as saying at the event.

Head Start Needs Class Sponsors

Project Head Start is now taking applications from incorporated agencies in Orange County that would like to run Head Start classes. Interested agencies should contact Marco Pena, Head Start director, at 979-2565.

Head Start offers low-income children a basic pre-school experience with the overall goal of bringing about greater degrees of social competency.

Every Head Start child is provided with a five part program which consists of education and training, nutrition (a morning snack and hot lunch), health care (complete pysical and dental examinations, screening tests and all necessary immunizations and follow-up), parent involvement and social services.

Administered by the Orange County Community Development council, Head Start serves 390 children and their families in Orange County.

GRADUATE

Navy Airman Apprentice David J. Lesperance, son of Mr. and Mrs. Joseph R. Lesperance of 660 E. Longfellow Dr., Placentia, was graduated from recruit training at the Naval Training Center, San Diego.

Directions Given To Write Santa

Placentia children are reminded to write their Christmas letters to Santa Claus, c/o North Pole.

Santa Claus will personally answer each letter he receives. Children are asked to be sure and put their name and address on the letter, to insure an answer from Santa.

All letters to Santa must be mailed in Placentia, and addressed to Santa Claus, c/o North Pole.

Funds Sought For Signals

The City of Placentia Engineering Division is progressing toward "Stage 2" approval with its Federal Aid Urban (FAU) Program projects.

The $160,000 allocated to the Cilty constitutes 83 per cent of the $193,000 to be spent on two traffic signal projects.

At the intersection of Orangethorpe Avenue and Melrose Street, the existing fixed time span-wire signal will be replaced by a full traffic-actuated system with standard signal displays and safety lighting. Also included at this location will be the acquisition of a rectangular parcel on the southeast corner approximately 64' by 153' containing a single family residence.

At the intersection of Kraemer Boulevard and Morse Avenue, the City Engineer has submitted a design study for approval by the Federal Highway administration (FHWA). Since no additional right of way will be required at that location, the fifty-eight step FAU process will be somewhat less lengthy.

Construction completion of the two signals will be approximately late Fall 1976 for Kraemer Boulevard at Morse Avenue and late Spring 1977 for Orangethorpe Avenue at Melrose Street.

Preliminary sketches and other information are available for public review at the City Engineer's Office in City Hall.

Most people have the misguided idea that a few drinks will not affect their driving. These people are playing with danger and disaster.

Immunization Clinic Set Thursday

The Orange County Health Department's next immunization clinic for children living in the Placentia area is scheduled for Thursday, December 18 from 8 a.m. to 11 a.m. and 1 p.m. to 4 p.m. at the Chester I. Whitten Community Center, 900 S. Melrose Avenue, Placentia.

The immunization clinic provides free vaccinations to all children under the age of 18.

For further information, contact the Placentia Office of Social Services

Delegates At Social

The members of the Orange District, Junior Membership California Federation of Women's Clubs, comprised of the executive committee, district chairmen and club presidents of the twenty two Junior clubs in Orange County, will hold their December 17 board meeting in the home of Judy Dougal, BABC Chairman (Build a Better Community).

According to Carolyn Zehner, district federation chairman,"....this will be a social meeting, allowing time for the board members to get to know each other..."

Attending from Yorba Linda Junior Womens Club will be Pam Tice, president, Ann Eaves, district auditor and Judy Dougal.

Representing Placentia Junior Round Table will be Barbara Reed, president, Kathy Andres, district conservation chairman and Marty Rogers, district recording secretary.

St. Joseph Council To Hold New Year Dance

A big evening is being planned by St. Joseph Women's Council for New Year's Eve. A gala dance, will be held in the Parrish Hall, on New Year's Eve.

The festive evening will begin at 9 p.m. through 1 a.m. Party Favors and Door Prizes will be given by the Council, and a midnight buffet will be furnished, party chairmen, Mrs. Larry Kampa and Mrs. George Walejko, promise.

Music will be provided by the "Paul Zen Band." The proceeds of this yearly event will go to St. Joseph School Library.

Tickets may be obtained by calling ticket chairmen, Mrs. Gene Wheeler at 528-4502 or Mrs. David Hudspeth at 528-1050. Donation will be $13 per Couple. Tickets will not be sold at the door.

Christmas Stocking Stuffing!

Approximately 10,134 Orange County residents have received an estimated $2.3 million in Christmas Club checks from Security Pacific Bank this month.

These Christmas Club payments average $232.77 per check for Orange County residents.

More than 99,351 California residents, from as far north as Sacramento and the Mother Lodge Region and south to the Mexican border, have received $25.9 million in Christmas Club checks this month from Security Pacific Bank.

Employee Of Year To Be Named At Party

The 150 employees of the city of Placentia will present their ninth annual Christmas luncheon, at which time the Employee of the Year will be named.

The catered luncheon will be held Friday, December 19 between 11:30 a.m. and 1:30 p.m. in the Senior Citizens Building, 143 South Bradford.

The annual party will feature door prizes, entertainment, Pigskin Pickin's, and a Special Award besides the selection of the Employee of the Year.

Santa Claus also will make an appearance.

A gift exchange among employees will be arranged by Lori Herron and Jody Garner. Members of the arrangements committee include Charlene Renoe, Marla Cobb, Rosie Espinoza, Janet Shellenberger, Sylvia Ritchey, Jo Lynn Brown and Gaye Trumbauer.

Guild Meeting

The Women's Guild of St. Martin's Church of Yorba Linda will hold its monthly meeting on Thursday, December 18, at the church.

The meeting will follow Eucharistic Devotions which begin at 7:30 p.m.

This month the meeting will be the Guild's annual Christmas Bingo Party. Everyone is requested to bring one handmade present for a gift exchange and one canned or packaged food item to be donated to a needy parish family.

All the women of the parish are invited to attend. For further information please call 528-9730.

Tea At Rosary

Highlighting the Christmas season for Rosary High School, Fullerton, will be their annual Mother-Daughter Tea to be held on December 18, at the Rosary convent, 1601 E. Alto Lane, Fullerton.

Sister JoAnn Eannareno, C.S.J., principal, and faculty members will greet freshmen, sophomores, and their mothers between 1 and 2:30 p.m.; juniors, seniors, and mothers will be welcomed between 2:30 and 4 p.m.

Co-chairman are Mrs. Tom May and Mrs. Stewart Semple.

Juniors Will Seek Pine Pennies

Jan Hight of the Placentia Junior Round Table has announced that she will be distributing "Pennies for Pines" contribution containers to each of the local Christmas tree lots.

Money collected will be sent to the State Department of Forestry which will guarantee the replanting of one acre of land for every $68 received.

In light of our most recent fire disasters and the number of Christmas trees cut down, the conservation committee hopes that every citizen will be generous, the group said this week.

OLD FLAG TRICK

'Bamboozling," now largely used to mean intentionally deceiving someone usually as a joke, comes from a common pirate practice of flying a false flag to conceal a ship's origin.

HONORED

Craig Wilson, son of Ron and Chris, is on the staff of the Aztlan, Esperanza High School's newspaper, which has won the All-American rating from the National Scholastic Press Association....

Choral Xmas Present

On Sunday evening, December 21, at 6 p.m. at Faith Baptist Church, Yorba Linda, the choirs and Sunday School will join together for "A Choral Christmas Present."

The program is under the direction of Mrs. Duane Reidenbach, co-ordinator, Mrs. Paul Green, director of Junior Choir; Mrs. Garnette Black, adult choir director and Harold Chilton, accompanist and director of The Sunday Night Singers.

As the program opens, there will be a dialogue among some children, wondering what the first "present" will be. The Primary and Junior Department Choir will respond with a special children's Christmas Cantata, entitled "Happy Birthday, Merry Christmas," accompanied by Beth Robitaille.

The next "president" to be introduced will be given by the Sunday Night Singers, the church's Youth Choir, under the direction of Chilton.

Chilton pays the Chord-A-Vox and is well known in Christian music for his arrangements on recordings for Greg Loren, Merle Booth, and others. The young people will sing a light calypso lullaby and "Remember Whose Birthday It Is".

The last "present" to be opened will be a variety of selections by the Adult Choir, including "Slumber, Holy Jesus", the loveliest of all Christmas lullabies; "Come All Ye Shepherds," A Bohemian Carol; "Comes the Lord of Light", a carol from China brought back by a retired missionary; and a new setting for the traditional text "Angels From the Realms of Glory". Mrs. Cheryl Bissel will accompany the choir.

The public is coridally invited to attend.

Rose Drive Cantata

The Rose Drive Friends choir is busy rehearsing, the narrators practicing and the instrumentalists tuning up for Sunday evening's Christmas cantata, "His Love...Reaching".

The 55 voice choir of Rose Drive Friends Church located at the corner of Bastanchury Rd. and Rose Dr. in Yorba Linda, will present the musical Sunday, December 21 at 6 p.m.

Rosemary Metheny, sanctuary choir director, is becoming known for excellence in gospel choir music combined with a unique ability to communicate the lyrics with deep meaning.

Bill and Gloria Gaither along with the arranging expertise of Ron Huff, are developing an impressive reputation in gospel music. Their sound combines simplicity with an inspirational uplift. The lyrics center on praise, thanksgiving and an emotional response in adoration of God.

The authors describe the musical this way. "His Love...Reaching is a service ... a service of celebration ... a joyous, festive celebration of God's reaching into our world through the gift of His Son."

Brownies Set Party For Christmas

The 22 members of Brownie Troop 755, will hold their Christmas Party Thursday, December 18.

The newly formed troop meets in the Recreation Building of the Hacienda-La Jolla Apartments in Placentia.

Students In Yule Program

BY DAPHNE ERICKSON

Students at St. Stephen's Lutheran Preschool in Fullerton are busy rehearsing for the school's fifth annual holiday program, reports Director Carol Williams.

Four and five year old classes regularly present a monthly program for parents, but the Christmas program is celebrated by the entire student body, including the three year olds.

Items included in the program, scheduled for presentation in the Church at 10:30 a.m. on Dec. 19th, will be "The Christmas Tree" with students dressed as ornaments; "Elves in Santa's Workshop"; "A Toy Parade"; "Santa's Surprise"; and a traditional Nativity play. All children participating will be fully costumed for the occasion.

St. Stephens is a non-profit school, subsidized by the Church. The school's goal, reports Mrs. Williams, is to provide the maximum in preschool education for the minimum tuition possible. January 1st will herald the end of the school's fifth year of operation, with the original enrollment of 36 students now swelled to an impressive total of 160.

ORDINANCE NO. 75-0-125

ORDINANCE OF THE CITY OF PLACENTIA AMENDING CHAPTER 5.08.430 RELATING TO TRAILER PARK FEES.

The City Council of the City of Placentia does hereby ordain as follows:

Section 1:

Section 5.08.430 is hereby amended to read in full as follows:

Fees for trailer parks (code section reference 6112.680) shall be as follows:

(1) Each trailer less than 40 feet in length $3.00 per year.

(2) Each trailer 40 feet in length or greater $5.00 per year.

No additional fee shall be required for the annual operating permit required by State law under Title 25 of the California Administrative Code.

PASSED AND ADOPTED THIS 2nd DAY OF December, 1975.

ROBERT B. LYONS
Mayor of the City of Placentia

ATTEST:
EDMUND M. PONCE
City Clerk

I, EDMUND M. PONCE, City Clerk of the City of Placentia, do hereby certify that the foregoing ordinance was introduced at a regular meeting of the City Council of the City of Placentia, held on the 18th day of November, 1975, and was finally passed at a regular meeting thereof on the 2nd day of December, 1975, by the following roll call vote:

AYES: COUNCILMEN: Gomez, Langer, Lyons, DeJesus
NOES: COUNCILMEN: Callahan
ABSENT: COUNCILMEN: None

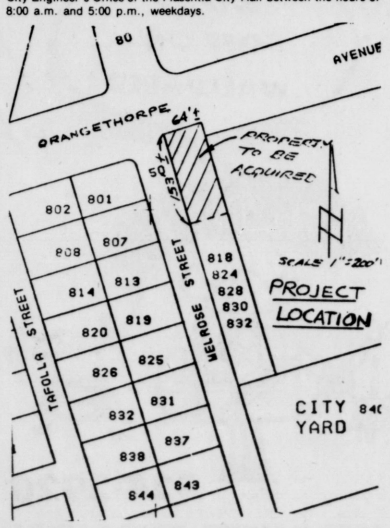
NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the City of Placentia is proposing to construct street and traffic signal improvements under the Federal Aid Urban (FAU) Program. The location of these improvements is generally at the intersection of Orangethorpe Avenue and Melrose Street and more specifically shown on the drawing below.

Proposed to be constructed is a traffic-actuated signal controller with standard signal displays to replace the existing span-wire installation. Right of way acquisition and demolition of one single family residence at the southeast corner of Orangethorpe Avenue and Melrose Street will be required prior to construction of pavement widening, curbs, gutters and sidewalk.

All interested parties to the design of this proposed project may request a public hearing before the Placentia City Council by giving written notification to the City Clerk, City Hall, 401 East Chapman Avenue, Placentia, California, 92670. Deadline for submission of requests is 5:00 p.m., December 31, 1975.

If no requests for a public hearing are received by the stipulated deadline, the City will proceed with the design as planned. All available records for this project are on file for public inspection and copying in the City Engineer's Office of the Placentia City Hall between the hours of 8:00 a.m. and 5:00 p.m., weekdays.



DATED THIS 10TH DAY OF DECEMBER 1975.

CANNED GOODS--are among the staples that go into the Christmas boxes for needy families in this area. And a lot of manpower is needed for the sorting. This year's effort was organized in the old City Hall Annex on Bradford Avenue by Placentia Round Table Chairmen Jeanne Christensen and Irene Czaplinski. Boxes were scheduled to be distributed the early part of this week. Sorting here are Randy Lafferty, Kountry Kultivators, Yorba Linda; Janet Mullender, Girl Scouts, Placentia; Greg Larson, Boy Scouts, Placentia; Cindy Fraser, Girl Scouts, Placentia and Jim Allison, Kountry Kultivators, Placentia.

With Army In Hawaii

Army Specialist Four Raymond J. Orosco underwent an annual operational readiness training test on Oahu's East Range Military Reservation. His parents, Mr. and Mrs. Ramon Orosco, live at 1513 Olympic Ave., Placentia.

Spec. Orosco is a manual specialist with Headquarters Company, 65th Engineer Battalion, 25th Infantry Division, Schofield Barracks, Hawaii.

The test was conducted to determine the unit's combat capability and proficiency.

The 19-year-old soldier entered the Army in December 1973 and completed basic training at Ft. Ord, Calif.

Jamaica At Whitten Center

A neighborhood Jamaica, including pinatas and a visit from Santa Claus, will be held in the Chester Whitten Community Center on Saturday, December 20.

Entertainment will include a variety of special foods, singers and music from the rock band, Thee Creators.

The show will run from 1 to 9 p.m.

Santa Claus is expected to make his first appearance between 1:30 p.m. and 2:30 p.m. in the city's Showmobile in the parking lot of the Center. He will have favors for the youngsters visiting him.

Between 2:30 p.m. and 3:30 p.m., there will be choirs and choruses scheduled to appear including the choir from the Iglesia Del Nazareno with Rev. Jesse Aramburo directing.

Pinata breaking for both youngsters and adults will occupy the party from 3:30 p.m. to 4:30 p.m. Santa will appear again from 4:30 p.m. to 5:30 p.m., mainly to meet football players from the Valencia Youth Athletic Association after their games.

Thee Creators will play from 6 p.m. to 8 p.m.

Christmas A Busy Time

BY LYNDA ABRAHMS

"Christmas in Different Countries" will be depicted by more than 150 fourth, fifth and sixth graders at Morse Elementary School in Placentia at 7:30 p.m. Wednesday, December 17, in the Multipurpose Room, 431 E. Morse Ave.

Sixth graders researched customs in other lands and created playlets which children will perform, according to Gary Brady, teacher who is coordinating the program.

The Morse Chorus, directed by Judy Mahoney, will perform "Silent Night" in German, "The Pinata Song," "The Hanukkah Song," "Here We Come a-Wassailing" and "Space Age Santa."

Other teachers helping in the production, which is open to the public are Diane Hart and Susan Yates.

***

Children from special education classes at Golden Elementary School in Placentia will be guests at a Christmas party hosted by students at El Camino Real High School Friday, December 19, morning.

The older students, with the help of teachers Karen Davis and Alta Hagen, will entertain the children. Santa is scheduled to come and deliver favors. Refreshments of punch, cookies and snacks made by students will be served.

***

A puppet performance of Carlo Menotti's "Amahl and the Night Visitors" will highlight the Christmas season for students at Brookhaven Elementary School in Placentia Friday, December 19.

Members of drama classes from Cypress College will give two performances, giving Brookhaven students an opportunity to see how the puppets work.

***

Santa and the elves from the medical occupations classes in the Placentia Unified School District will visit children in the pediatrics ward of Placentia-Linda Hospital Thursday, December 18.

Puppets made by home economics students at Esperanza High School will be given to young hospital patients, explained Bea O'Donnell, medical occupations teacher.

***

Morse Elementary School students are using their skills to make Christmas cheery for convalescent home patients. All children are working in classrooms and labs to make tree ornaments, tray favors and wreaths which will be delivered to several convalescent homes.

Teacher John Mullins is coordinating the project.

Fourth graders in Jean Cox's room will visit three convalescent homes to sing carols and perform Christmas plays.

Kraemer Work Scheduled

The Chamber-Mix Concrete Company of Stanton has been awarded a contract for street maintenance work in the City of Placentia, in the amount of $4,080.00.

The work will consist of slurry seal application to asphalt street surfaces. This application will extend the useful service life of the street surface, Ben Minamide newly appointed Director of Community Development stated.

The project will be on Kraemer Boulevard extending from the northerly side of Bastanchury Road, southerly to old Palm Drive intersection.

Work is scheduled to begin on December 17, 1975, and be completed within 5 days.

Traffic will not be detoured off Kraemer Boulevard, however, there will be some diversions to single-lane traffic.

Motorists and pedestrians should be cautioned and made aware that the coating requires an approximate 4 hours drying period before the surface may be travelled upon. The asphalt coating used is extremely adhesive and difficult to remove from car bodies, shoes, clothing and other surface to which it may be transferred.

There will be adequate signs, barricades and delineators placed on the job during work operations for public guidance and traffic control. These signs and delineators should not be disregarded, the department advised.

THE PLACENTIA CHRISTMAS CLEARING BUREAU--was busy playing Santa this weekend as boxes of food and toys were being prepared for a minimum of 220 needy families for Christmas. Many volunteer workers contributed their time in the major annual city-wide effort sponsored by the Placentia Round Table. Here local students assist with the mammoth job of wrapping hundreds of toys and other gifts. At the front of the table can be seen some of the toys students in the woodworking shops at Valencia High School made from wood for local youngsters. Busily wrapping are Valerie Montgomery, Girl Scout Troop 733, Placentia; Tricia Allison, Kountry Kultivators, Placentia; and Debbie Stephens, Girl Scouts 733, Placentia. In back is Peggy Barnes, Round Table member.

Photo by Mary Jane Caswell

PROJECTS FOR CONVALESCENTS-Fifth graders at Morse Elementary School are working on craft projects for the Gordon Lane Convalescent Hospital in Fullerton. Pictured are Peter Fiorentino, Earnestine Silva [a kindergarten student], Laura Hartt, Mr. John Mullins, Terry Gayta, and Mike Murray. Mr. Mullins and Mrs. Keller teach the students. The students need small bath towels to make bibs, as they would like to give more than they are able to donate themselves. The materials have been provided by the students and their families.

Photo by Mary Jane Caswell

SANTA AND HELPERS-Santa's helpers get him ready for a Christmas skit at the Morse Christmas program. The students are [left to right] Donte Andry, Allen Lowe, and Keith Mundt.

Photo by Mary Jane Caswell

ORIGINAL SKIT-Morse students are busy at work planning their Christmas program, "Christmas in Different Countries." This skit includes [front row left to right] Ricky Edwards as the horse's head, Steve Wilson as the horse's body, Mike Pinckney, Bret Langfor, [back row] Jim Daniel [author of the skit], Donte Andry, Jan Congelliere, and Ledene Sawtelle.

Local Tennis Winners

Local tennis players distinguished themselves in the recent Orange County Tennis Association's first tournament held at the Anaheim Hills Racquet Club.

Winning in the B Men's Doubles were Jim Mitchell of Placentia and Joe Pearson who defeated Lee Ramirez of Westminster and Bob Kisner 7-5 and 7-6.

In the C Women's Doubles, Judy Sims of Yorba Linda and Jan Karch defeated Nancy Tirrell of Irvine and June Finterbush, 6-2 and 7-6.

The tournament was played on the courts at UCI, Santa Ana College, Santiago Canyon Tennis Club as well as Anaheim Hills. Tournament winners represented every section of Orange County as well as some cities across the border, the group reported.

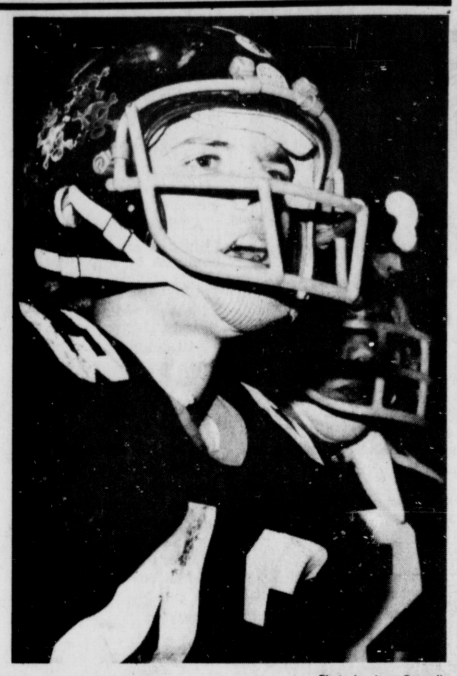

Photo by Jane Caswell

PASS!!! Hawk Mark Ashford yells a warning to teammates in Friday's game against Agoura. While the final score was overwhelming, Agoura captured the lead late in the first half, and the slippery field made the game unpredictable. Most of the scores were on long plays rather than sustaines drives. El Dorado recaptured the lead in the last two minutes of the first half and held it through the spiriling scores.

Photo by Jane Caswell

RUNNING SPACE-El Dorado's Jim Haynie finds room for a long run in Friday's CIF semifinals at Bradford Stadium. The run was good for a first down, but the drive was stopped on the next series. Following in case needed, is quarterback Todd Peterson. Peterson's toe was the key to the previous week's triumph over Azusa, and Haynie's running and pass receiving were the key to Friday's rout of Agoura.

Golden Hawks Earn Another Winged Victory

by Brian Hilderbrand

It will be an Orange League rematch in the CIF 2A Finals, pitting El Dorado and Sonora, the two top teams from Orange League.

El Dorado advanced by beating Agoura, number two ranked in CIF, 46-22, in what many believed would be a close game.

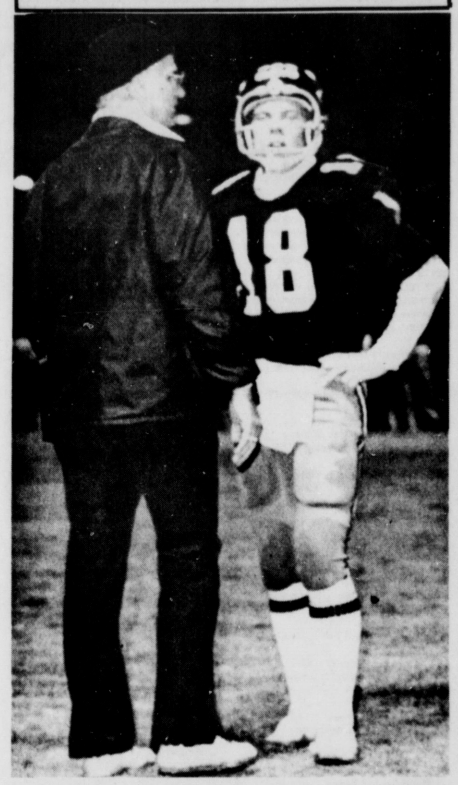
Sonora (La Habra) is coming off a 24-7 routing over Norte Vista.

El Dorado was paced by tailback Jim Haynie, who rushed for a record five touchdowns and 275 yards. Haynie accounted for 400 yards of El Dorado's 482 total offense.

The Hawks also set a school record for consecutive wins, with 11. They will look to break that record this Friday against Sonora, whom the Hawks beat in league play, 7-6.

The El Dorado-Agoura

[Continued on B-8]



ONE POINT OR TWO-Quarterback Todd Peterson discusses the conversion with coach Glen Hastings. Peterson's normally outstanding foot, missed a couple of kicks Friday night and the Hawks went for two until he regained control. The two point conversion attempt failed, but was not a factor as the touchdowns kept coming.

Tigers Win Consolation

BY CHARLES ROSPAW

Surprising almost nobody last week, the El Dorado Golden Hawks for the second year in a row ran away with the championship of the 13th annual Valencia High School Lettermen's Basketball Tournament.

On their way to the victory, the Hawks beat the Cavaliers from Santiago 53-44, Kennedy High 78-73, and Rancho Alamitos 56-44.

Hosting the tournament, the Valencia Tigers turned around their trend of the last two seasons by stopping a 48 game losing streak in grand style, 52-42, overpowering a sloppy but strong Colonist team from Anaheim.

Sophomore Paul Gilbert led the Tiger attack with his fourth straight 20 point game, but a return from a slump by senior forward Dennis Taylor with 10 and hot shooting by forward Bob Zamora and 6 foot guard Frank Martinez, both with 14, helped with the victory.

This victory came after a first round loss to the Bulldogs from Burbank by a score of 51-48.

Maintaining the momentum from their previous win, the Tigers preceded to take the Consolation bracket final with a 56-52 win against Santiago. Gilbert, Taylor, and Zamora all contributed 10 while Martinez led scoring for both teams with 17.

Esperanza, the only other local team, fell upon hard times and was eliminated after two rounds, losing to Kennedy 81-69 and Santiago 67-55.

Final standings for the tournament were: 1st, El Dorado; 2nd, Rancho Alamitos; 3rd, Burbank; Consolation Championship, Valencia.

In the All Tournament Team selections, El Dorado led the selections with Rory Lovell being voted MVP by the coaches and officials and teammate Blake Withers voted to the team.

Kennedy High, Burbank, and Rancho Alamitos also had two members nominated to the team. For Kennedy, Bill Blashford and Robert Diaz, for Burbank, Ken Burns and John Downum, and for Rancho Alamitos, second timer Dave Wear and Jack McMahon.

Valencia's Gilbert and Santiago's Dean Diaz were also elected to the team.

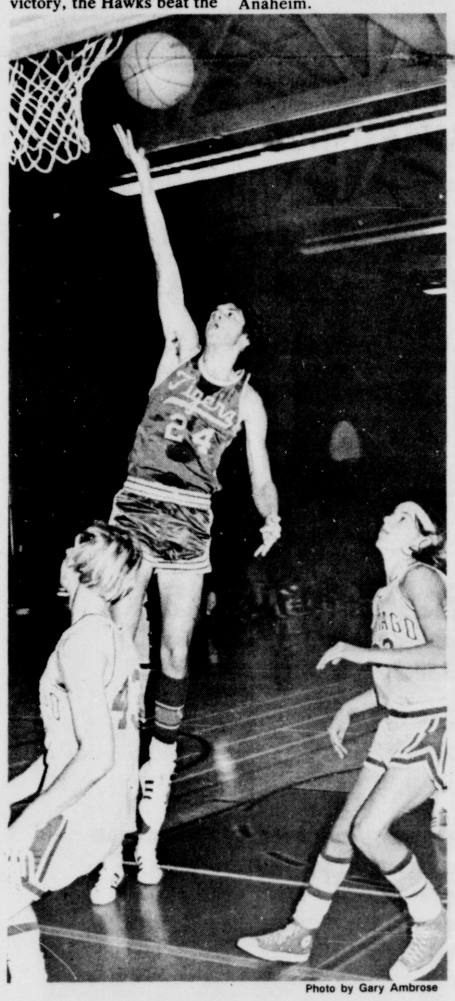


Photo by Gary Ambrose

UP FOR THE REBOUND-Valencia Tiger Dennis Taylor gets the rebound in Friday evening's consolation championships against Santiago. Valencia won 56-52, giving them two victories in a row after their long series of losses. Santiago players are Darrel Hebenstreit [#43], and Tom Haefele [#33].

CANCER DRIVE

Dean Davisson, Knott's Berry Farm community promotions manager and 1975 crusade chairman for the Orange County Unit of the American Cancer Society, said this week that the kick-off date for the residential cancer crusade has been set for April 1. Persons interested in aiding may contact the cancer society office at 752-8600.

Hawks Hoop Basketball Tourney Prize

by Brian Hilderbrand

Led by the excellent marksmanship of Rory Lovell and Blake Withers, the El Dorado Golden Hawks have clinched the Valencia Lettermen's Club Tourney for the second year in a row.

The Hawks had to get past Kennedy (78-73), Santiago (53-44), and Rancho Alamitos (56-47) in the Championship Finals to accomplish the feat.

In the opening round played last Tuesday, El Dorado edged the Santiago Cavaliers, 53-44, in a hard-fought game.

ED's Lovell led all scorers with an amazing 25 points. The 6-7 center hit on 11 shots off the floor and three of five charity shots. Withers had eight points, six of which came in the final period to ward off Santiago's threat in the closing minutes.

Leading the scoring for the Cavaliers was Dean Diaz with 14 points. Hector Perez added nine points in the losing effort.

El Dorado committed 22 personal fouls to the Cavs' 15.

In the semifinal game, ED met the Fighting Irish of Kennedy in yet a closer game. El Dorado came out victorious, though, 78-73.

It was a one-point ball game through the entire second half, with the Hawks managing to stay on top the majority of the time.

Blake Withers returned to his usual form in the game and led the scoring with 25 points. He hit on 12 shots off the floor, and made one of three free throws.

Lovell added 17 points to the cause, putting ED ahead at the half.

Robert Diaz of the Irish also had a good night, hitting on eight shots off the floor and six free throws to

[Continued on B-2]

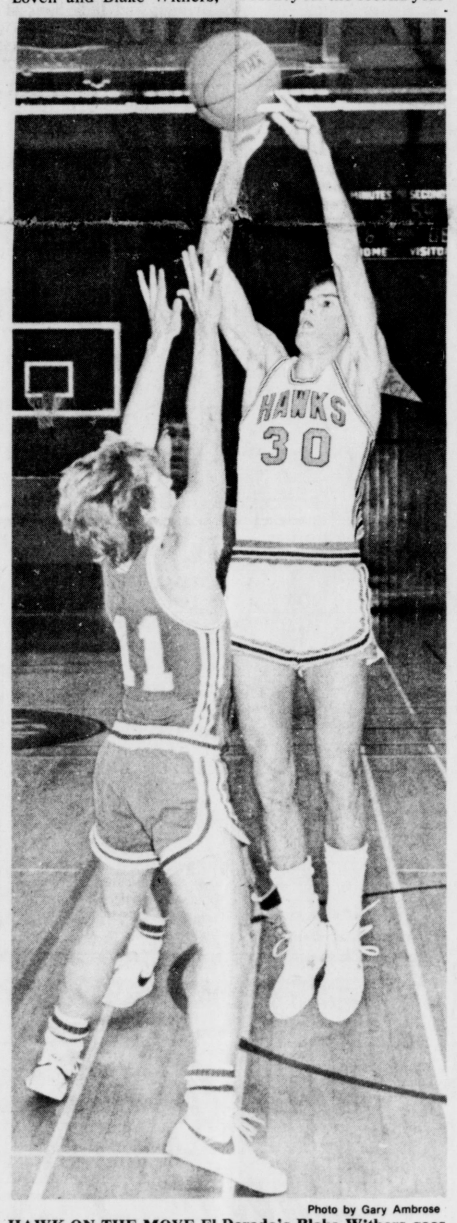

Photo by Gary Ambrose

HAWK ON THE MOVE-El Dorado's Blake Withers goes up for two in Friday night's championship round of the Valencia Letterman's Tournament. The Hawks beat Rancho Alamitos 56-47 for the crown. Trying to defend on the play is Mike Whiting. The Hawks were CIF champs last year.

Bandits Are Champs

The Placentia Recreation and Maintenance Services Department's Fast Pitch League championship was clinched by Hector's Bandits as they shut out second place Pizza Pub (5-4) 5-0 behind another great pitching performance by Rudy Avalos.

Hector's Bandits now 7-2 took a first inning 1-0 lead then scored four more in the third inning to put the game out of reach. Rudy Avalos struck out ten men in his fourth shutout of the season.

Bridgeford (5-4) moved into a tie for second place as they tripped Mugsey's Gardners 2-1. Dick Eagle struck out seven and allowed only five hits for Bridgeford.

Let's Dine Out (2-7) knocked Webb's TV (4-5) out of a possible chance for second place as they won 7-4. Terry Dowty started the scoring for Let's Dine Out as he belted a bases loaded double, bringing in three runs in the first inning. Frank DiGregorio slammed a homerun in the fourth to finish the scoring for the winners.

THOSE BLUES

"Feeling Blue" As a phrase now means sadness. It comes from the custom among many old deepwater ships of painting a blue band along their hull and flying blue flags as they returned to port to show that the vessel lost an officer or a member of the crew during a voyage.

JR. PEE WEE CHAMPIONS--Defeating the Anaheim Lions 13-6 in The Orange Empire Pop Warner Bowl playoffs the Placentia-Yorba Linda Warriors capped a highly successful season. Boys on the team and the cheerleaders, along with coaches were: First row, from left: Andrew Arumbula, Tom Toombs, Bobby Shoemaker, Jeff Cor, Robbie Robbins, D.J. Corrigan. Second row, from left: Karl Kaiser, David Butler, Jeff Rinhart, Dave Lutz, Jeff Tripp, Keith Chalman, Tim Green, Ed Lutz. Third row, from left: Tim Wolen, John Rekart, Danny Distefano, Jamie Kliss, Art Pereless, Eric Leiker. Fourth row, from left: Brad Van Peursem, Adam Morris, Ted Beason, Curt Sanders, Donte Andry, Brian Long, Mike Robinson. Top row, from left: Mike Hood, Jeff Babbitt, Andy Hood, Glen Cole, Mark Brucks. Not in picture were Scott Hughes and Mike Hughes. Cheerleaders were: Cathy Beason, Stacy Cor, Mary, Arambula, Jodi Robbins, Erin Sanders, Kimberly Corrigan, Tammy Green, Julie Sanders, Diane Distefano, Jolyn Butler, Carrie Cole, Sara Beason, Jennifer Sanders. Coaches were: Jim Babbitt, Mike Sambrano, Mike Green, Jerry Tripp. Not in picture were Jim Graham and Mike Rosauer.

All Star Trophy Dims

Cris Roberts (4-5) won their second straight game and in the process destroyed any thoughts of a perfect season for All Star Trophy (8-1) as they bombed the league champs 12-1.

Cris Roberts big inning was the third during which they received three homeruns from Dick Huber, Jerry McCoy, and Ernie Salazar to account for all seven runs scored in the inning.

All Star Trophy's only run came on a fifth inning homerun by Bob Hook.

Old Time Inn (4-4-1) and league runners up Master Batters (6-2-1) battled to a 10-10 deadlock as the Old Time Inn came up with one run in the seventh to tie the game.

Ron Doyle started the scoring for Old Time as he slammed a three run homerun in the first inning. Sonny Vahle and Bob Beach also contributed homeruns for Old Time Inn. The Master Batters banged out 15 hits but were unable to get the big hit in the late innings.

Rockwell (2-7) forfeited their game to Alphy's Restaurant (2-7) leaving both teams tied for last place.

The Slo-Pitch League is sponsored by the Placentia Recreation and Maintenance Services Department.

Aztecs Lose Two Games

BY CRAIG WILSON

Still looking for their first win, the Esperanza basketball team heads into the Laguna Beach tournament in hopes for that momentum gaining first victory.

Last week the Aztecs participated in the Valencia Tournament and was eliminated after their second game. First stop was Kennedy, who began to blow the Aztecs out just before halftime. Kennedy lead at the half by a commanding 38-22.

Then after turning the ball over extensively, Kennedy found that with three minutes to go their lead had been cut to four, 64-60. Kennedy's Perry Johnson took command and whipped three quick passes that led to six easy points and his team ended up victorious 81-69.

Bob Diaz led Kennedy with 24 points. The Aztecs were led by Rick Buchanan who had 11 points and seven rebounds.

Now in the losing bracket, the Aztecs took on Santiago.

Santiago blew the game open in the third quarter, thanks to some fine baseline shooting of Kerry Callahan.

Esperanza coach Dal Dessecker made numerous changes in the 67-55 loss. Guard Tim Porras topped the Aztecs with 16 points while Buchanan added 15. Dean Diaz led the Cavaliers with 22 points and Callahan ended up with 21.

Valencia Sets Records

BY CHARLES ROSPAW

In a grueling test of endurance, thirteen teams from around the country competed in the Placentia Park and Recreation's second Annual 24 Hour Relay Saturday starting at 8 a.m.

The race was run on the Bradford Stadium track at Valencia High School.

Pitting ten person teams against each other for a nonstop running marathon, [no new records were set by Valencia teams. The Valencia Cross Country team ran for 27 miles apiece to set an Orange County record of 264 miles and 505 yards, while the Valencia Girls Athletic team set a record, being the first all girl team to finish, completing 178 miles, 232 yards.

Second place went to the Buena Park High School Cross Country team with 257 miles while Los Alamitos Cross Country was awarded third with 242.

Canyon was fourth with 238, Troy fifth with 237, the "5+5" team consisting of 5 Valencia High schoolers and 5 from Basset high school sixth with 236, the Shot Putters from Valencia seventh with 181, and the Valencia GA "Foxes on the run" eighth with their 178.

Other competitors who did not finish included a Kraemer Junior High team, La Habra Cross Country, St. Joseph Junior High team, the "Chicano plus" team and the Royal Oak Critters.

The marathon is run with each member of the team running one mile in a continuous relay with each runner taking a turn. Teammates averaged between half an hour and an hour and a half between turns, making sleep hard.

Tourney Winners

The newly formed Orange County Tennis Association's first tournament ended recently with winners representing every section of Orange County, along with a few towns across the border. Matches were played on five different courts.

Among the winners were Jim Mitchell of Placentia who teamed with Joe Pearson to win the B Men's Doubles and Judy Sims of Yorba Linda who paired with Jan Karch to win the C Women's Doubles.

Valencia In Soccer Play

John F. Kennedy High School will host a 32 team soccer tournament during the first three days of Christmas vacation. On Saturday December 20, games will be played on three locations, Kennedy, Walker Junior High, and Mackay Elementary School. Games will start at 9:30 a.m. and continue to 4:30.

On Monday December 22, games will be played on Kennedy's fields and Walker's. Games will begin at 10 a.m. and continue to 4:30 p.m.

On Tuesday Dec. 23 games will be played at Handle Stadium at Western High School. Starting time will be 2:30 p.m. and continue to 9:30 p.m. At 7:00 p.m. there will be an AYSO excebition game.

Teams in the tournament include Valencia High School, Placentia and Anaheim, Artesia, Cerritos, Corona Del Mar, Cypress, Dominguez, El Rancho, Excelsior, Fontana, Fountain Valley, Fullerton, Gahr, Garden Grove, Glenn, Huntington Beach, Kennedy, Mark Kepple, La Quinta, Los Amigos, Mater Dei, Mayfair, Montclair, Neff, Pacifica, Paramount, Rubidoux, Saddleback, San Clemente, Servite, and Westminster.

On Tuesday admission will be $1 for adults, 50 cents with A.S.B. card and AYSO players with their shirts on and under 12 will be free.

Christmas Volleyball Tournament

The Placentia Recreation and Maintenance Services Department is sponsoring a special Christmas Co-ed Volleyball Tournament. The Tournament will be held on Monday, December 22 from 7 p.m. to 10 p.m. at El Dorado High School Gym.

The tournament is open to men and women 18 years and over. Teams must have equal number of men and women, and team rosters are limited to eight people. Rosters and information can be obtained at the Recreation Department office, 117 North Main Street or call 993-8232.

The deadline for rosters will be December 19 and no entries will be accepted the night of the tournament.

Hawks Snatch Tourney

[Continued from B-1]

earn 22 points. Bill Blashford put in 16 points for a good performance on defense, as well as offensively.

El Dorado was then pitted against Rancho Alamitos in the finals. The Hawks warded off another attack lae in the game behind the shooting of Paul Johnson in the final period.

Rory Lovell, who earned the MVP for the tourney, turned in another fine performance with 18 points. Blake Withers added 16 points.

El Dorado committed very few fouls, 5, to Rancho's 12.

Withers was selected on the All-Tournament team.

This week the Hawks compete in the Troy Tournament, commencing Wednesday and continuing to Friday, with the finals on Saturday.

Witnesses Allege Persecution

"Thousands of Christians are now under brutal persecution in Malawi," declared L. Luke, presiding overseer of the Yorba Linda Congregation of Jehovah's Witnesses.

"Starting August 19, 1975 more than 34,000 Jehovah's Witnesses from Malawi who fled as refugees to Mozambique in 1972 because of severe persecution were forced to return to Malawi and now experience brutal persecution again. All of this is because of their refusal to join a political party."

Luke said he had received a report from N.H. Knorr at the Brooklyn Headquarters of Jehovah's Witnesses. Knorr said that when a group of Jehovah's Witnesses arrived at the Malawi border, the Minister for the Central Region, Mr. Kumbweza Banda, greeted them:

"We welcome you with both hands. You left Malawi of your own accord and now you have returned of your own accord. The Malawi Congress Party is still in power in this country. Go back to your home villages and cooperate with the party officials."

Then, referring to the members of the League of Malawi Youth, he said: "My boys are here to see that you do cooperate with the Party."

Soon roads in the north and central regions of Malawi were filled with Jehovah's Witnesses on their way back to their home villages.

In some instances the Witnesses were allowed to enter their villages and take up occupancy of houses they abandoned in 1972. However, in most cases Youth Leaguers soon called to ask if they were prepared to buy political party cards.

Referring to Jesus' example of political neutrality, the Witnesses refused. Immediately beatings, rapings and other atrocities began again and many were driven from their homes.

The government order applies this even to nursing infants. The police have ruthlessly executed this order.

Swimmers Return With Place Awards

Four members of the Swim Team of Placentia swam and placed in individual events at an AAU "A" meet held at East Los Angeles College recently.

Tom Ryan took second place in the 15 to 18 year old boys 100 yard breast with a time of 1:05.45.

Saundra Oberle placed third in the 9 and 10 year old girls 50 yard breast with a time of 38.13 and was fourth in 100 yard breast with 1:24.01. Christine Johnson came in sixth for 100 yard free with a time of 1:05.57 in the 9 and 10 year old girls.

Nancy Sadlak came home with two fourth places in the 11 and 12 year old girls 50 yard breast clocking 35.02 and 100 yard breast with 1:17.76.

HONORED POLOISTS-El Dorado honored its' outstanding water polo teams Thursday with a program and dinner, the latter courtesy of the Water Polo Boosters Club. The Presbyterian Church Fellowship Hall was filled for the occasion, as not only families, but also cheerleaders, statisticians, and much of El Dorado's staff came to honor the CIF champs. Going home with special recognition were those pictured here; [left to right-front row] Devin Claffey, outstanding player in the playoffs and second team 2A all CIF; Marty Clark, most improved frosh-soph; Steve Birchfield, "Heads up" award winner [inspirational] and second team all CIF; John Kolias, high point award and first team all CIF; David Freidman, most improved junior varsity; [row 2] Jay Bickford, most improved varsity and 3rd team all CIF; Walter Druff, 3A CIF coach of the year; Roy Cedarstrom, most valuable and CIF player of the year; and Eric Andrews, honorable mention CIF teams. Both Andrews and Bickford are sophomores.

Golden Hawks Win Again

[Continued from B-1]

game was a seesaw contest, as the Chargers got a touchdown for every one the Hawks got in the first half.

El Dorado got on the board on the second time they had the ball. Haynie took the handoff on the Chargers 36 yard line and broke through the line and ran 64 yards for his first touchdown. Todd Peterson's PAT kick was good to make it 7-0, ED.

With only 1:23 left in the first quarter, the Hawks had the ball at the Chargers 39 yard line. Haynie again got the call and raced 61 yards to his second touchdown. Peterson's PAT kick was no good, but ED held a 13-0 lead.

It was Agoura's turn to rack up a couple of TD's. On the Chargers' first series of the second quarter, Andy Mussack, the quarterback, rushed 20 yards for the score. Darren Rogers ran in the PAT for two points, but El Dorado held the lead at 13-8.

On the next series of plays, with 2:10 left in the half, Agoura pulled into the lead with a bomb from Rogers to Kurt Mikell on the option. The two point conversion attempt failed. Agoura held a 14-13 lead.

But the Hawks came back before the end of the half to score two touchdowns.

The Hawks had the ball on the 33 yard line in Agoura's territory. Peterson unloaded a bomb to Haynie, who ran the rest of the way into the end zone on a 67 yard pass. The two point attempt was no good, but ED retained a 19-14 lead.

With just 33 seconds left in the half, Tim Morgan intercepted a Mussack pass and ran 80 yards to another Hawk TD. The two point attempt again failed, but the Hawks carried a 25-14 lead into the half.

Agoura closed the gap on the Hawks lead in the third period on a touchdown run of 32 yards by Rogers. Mikell took the pass from Mussack for the two point conversion, to close the lead to 25-22. That was the Chargers' last scoring play.

The Hawks came right back from the Chargers' score with one of their own. Of course it was Haynie, again, on a 49 yard pass from Peterson for Haynie's fourth TD. The PAT kick was good, to give ED a 32-22 lead.

With 9:03 left in the game, Peterson rushed six yards into the corner of the end zone to pick up another six points. The PAT kick by Peterson was good, and the Hawks held a 39-22 lead.

Haynie then rushed for his record-breaking fifth touchdown run from nine yards out, with four minutes left in the game. The PAT kick was good, to end the game at 46-22.

Peterson passed for 135 yards, with Haynie on the other end of three for 125 yards. Peterson completed 4 of 8 passes.

Haynie broke his old record of touchdowns. The previous record was four, set in last year's playoff game against Gahr.

AGOURA 0 14 8 0--22
EL DORADO 13 12 7 14--46

SCORING

ED--Haynie: 64 yard run; (PAT--Peterson).
